Alex says

Over all it's a solid read with beautiful artwor, but one thing and one thing only makes it so I can't rate it higher. That is to bad, because #100 re-ignited my interest in the Fable universe. I recomend it to people who likes the Fable universe or/and collects the series.

Wing Kee says

Great conclusion to the Mister Dark/Bellflower duel. Great set up for future stories and the extras in this book are charming and fun. I especially enjoyed the Bufkin story. On to #101!

Meggie Belacqua says
