## Oliver's Tree Kit Chase

**Meet three adorable best friends from debut author/illustrator talent with a huge Etsy following**

Oliver, Charlie, and Lulu love to play outside together. Their favorite game is hide-and-seek, but it's not fun for Oliver when his friends hide in the trees—he can't reach them! So the friends set off to find a tree that Oliver can play in.

But there's a reason we don't see elephants in trees, and just when Oliver is ready to give up the search, Charlie and Lulu surprise him with the perfect tree for them all to play in together!

Super cute and sweet. Oliver, the elephant, doesn't fit in trees like his best friends do. So as Oliver is sleeping, the surprise him with a short treehouse they can all play in together. Such adorable illustrations too. Very lovely.

Lulu, a bird, Charlie, a bunny, and Oliver, an elephant are best friends. While playing hide-and-seek, it becomes evident that Oliver's size prevents him from climbing a tree. Oliver is sad and his friends find a creative way to solve the problem. A touching picture book about friendship overcoming obstacles.

Simply adorable! This is picture book happiness.

Oliver's Tree follows three animal friends, Oliver, Charlier and Lulu, who love to play outside together. Their favorite game is hide and seek. When they realize that Oliver isn't able to hide in the trees like they can, they make him feel special with a wonderful surprise of his very own.

A heartwarming story with adorable illustrations that will bring a smile to your face, Kit Chase's debut is a book worth picking up! The message about friendship is one that even the youngest of readers will enjoy. The sketch like illustrations, and soft color tones have made Chase one of my favorite children's book illustrators.

A straight forward story of how a couple of friends try and help their Elephant friend play in a tree like they do. Cute, fun and sweet illustrations. Not a lot of "meat" but perfect for the toddler set. Other books in the series.

I wasn't sure I would like this one, but the charming friends with simple watercolor backgrounds completed with pen and ink won me over. Their joy when playing together comes through the pages as well as how elephant feels about not having a tree to play in. The completed tree is wonderful!

Oliver's Tree by Kit Chase is pure picture book joy!

As soon as you open the book, three adorable little faces welcome you in. And one page turn later, I was captivated. This book stole my heart and attention with soft, warm colors and a gentle good-hearted spirit. Each and every page, color, and sweet face made me feel calm and quiet—at peace in storyland.

Three friends--Lulu, Oliver, and Charlie—love to play hide & seek. But Oliver, the elephant, is heartbroken when he discovers that he can't hide in the trees like his friends. So Lulu and Charlie set off to find Oliver a tree just for him. A sweet story about friends helping friends feel better and smile again.

A beautiful book with a simple, warm hearted message. Perfect bed time story.

Highly recommended

Friendship is important in any relationship. Lulu and Charlie look for ways to help Oliver fit in. This board book would be an excellent story for your kindergarten, but would not be a good fit for LOE.
