### **Brenda Wychock says**

Sweet memories of this series. Love it!!

---

### **Hope Mullinax says**

Beloved classic childrens book. This book is one of many in the Sweet Pickles series and is one of my sister's favorite childhood books. She has read it to each one of her children and recently gave it to me for my own classroom library. Follow Scaredy Bear as he attempts to make a new friend, but will his fear get the best of him?

---

### **Tobi says**

My favorite children's books - I wish I still had my set.
