## **Surrender My Heart** Rebecca Elise

This is a companion novelette to Fall into my Heart. If you have not read Fall into my Heart, please do so before reading this.

In Fall into my Heart, we were introduced to Chloe and Jack, whose relationship was cut short when Chloe's Ex-fiance, Connor, told Jack they were still engaged and Jack ended things with no questions asked.

Jack seemed to stay relatively quiet throughout the breakup, but things aren't always as they seem. Jack is ready to tell his side of the story and share insights as to where his head was and why he did the things he did.

## **From Reader Review Surrender My Heart for online ebook**

### **Tina Nguyen says**

It was okay. You could have put these pages into the first book to make it more complete. As a novella it was just okay.

---

### **Gemma (Gemzy) Cameron says**

Very quick read and love reading from Jacks version of what he feels

---

### **Xhex87 says**

I didn't see the point in reading this. I got it for free with the first book. I thought the first book finished fine without the added view point.

---

### **Sobia says**

Very very short. And I Didn't read book one, but could follow along well enough. Not bad but it didn't inspire me to pick up book 1 either.

---

### **Anna says**

I'm a huge fan of Jake!!!! But seriously the author could have started the book by when he bumps into Chloe! She could have put more thought into it...I found there was nothing deep about this book. Jake was such a passionate guy in book 1 I found book 2 was rushed!

---

### **Victoria says**

Is a great book to read

---

### **Lynn Smith says**

Was really great to get Jack's POV about the breakup. In the first book you weren't told what all Conner had said. This one fills in the blanks

---

### **Debbie Kolins says**

"Surrender My Heart". This was a great Love Story. I couldn't stop reading as, I needed to know how it ended. The book was shorter then I expected but, it was a great book

---

### **Mayas says**

Jack past is revealed. Wow what a self centered B\*\*\*H Courtney was. I so understood his resolve though. Great POV change.

---

### **Debbie Hanson says**

Do if you didn't read "Fall into my heart" reading this story would make sense. This short but great story gives us Jack's story after the heartbreakening break up between him and Chloe. Right from the run in he has with Connor to his heart being ripped apart. I could not help but feel sorry for Chloe during this because Jack was so pathetic to face her, but in saying that we were fortunate to find out what had Jack so up in knots with the past love in his life. Because I knew what would happen I could enjoy the story and fall just a little bit more in love with Jack. Oh and p.s. I LOVE the character of Jocelyn, she is funny and loud and a pleasant other character for this series.

---

### **Jackie Saylor says**

I love a good male POV and this was it. **\*\*SPOILER\*\*** Favorite part of the book was the aha moment Jack has when he realizes what a jerk he has been.

---

### **Kaye Mack says**

While I enjoyed reading Jack's point of view, I don't believe he needed his own book..

---

### **Yana L says**

This was much better and cohesive a read than the first. It still felt slightly rushed and in the voice of a teenager and a young adult book, but there was far more substance to the story. This one also seemed to be edited very well as I had none of the complaints that I did with the first book (your and you're confusions, etc). This was definitely a move in the right direction and I enjoyed the other voice of the story. Looking forward to more stories from the author.

---

**Danielle says**

This is a companion novelette to Fall into my Heart.

Chloe and Jack's relationship ended when Chloe's ex-fiance informed Jack he came to see his fiance. Jack avoided Chloe for a week before he ran into her and he ended their new relationship.

This is Jack's side of the missing weeks up to where Chloe and him are reunited.....we see the reason he ended it, his trust issues and what he wants now.

---

**Marsha Garcia says**

Oh wow jack was a jerk a bit but I loved it in his pov I always wanted to know what he was thinking or what he did when connor told him about the engagement :) can't wait for the next book
