Ed Schulte says

Anything reference of Jacob Boehme is fascination and appetite wetting , this is one very well presented overview on an Enlightened Being that is, only now, able to be appreciated without the interferences of "intellectualism".

andrea says

A challenge to read at times, sometimes difficult to digest and profound at the same time. A completely different religious text.

Alex Kartelias says

A lot of it was very unorganized and kind of random at parts, but the very beginning is truely amazing: it's evident that Schelling and Hegel were both influenced by his work and even though he's mostly seen as a Rosicrucian, his Wisdom transcends sects.

All of Reality is a dialectical transmutation of God's Consciousness towards Himself. And this Sacred Truth is the sum of his legacy.

Wayne says

"...he that will not seek thereby a new man born in God, and apply himself diligently thereto, let him not meddle with my writings," - Jakob Bohme
