Vortearigan has rebuilt his army and now stands ready to topple the kingdom of Etheria. In an effort to defeat him, Lask must rally the races of Etheria in an unparalleled united force, a task that has never before been attempted. Centuries' worth of venom and bitterness fester between many of the races, and as Vortearigan's war spreads, Lask must preserve the union even in the face of his fear, and the anger that divides him from his own brother. Ancient feuds and secrets come to light in an epic struggle that will change the face of Etheria forever.
