Worth The Price Mara Jacobs

Can Love Grow Again?

Liv Beck loved her husband desperately, but that wasn't enough to keep him. A failed marriage has taught her what's important, and how to get what she wants. Unfortunately, she'll need her ex-husband's help to get it.

Twain Beck has dealt with the guilt of his divorce for seven years. Now he can finally make it up to Liv by giving her the one thing she wants most. But is the price too high?

Spending time together reminds Liv how much she always loved Twain, but she knows she needs to protect her heart this time. Twain can't understand these new feelings he's developing for Liv. Could he be falling in love with his ex-wife?

Is trying again...Worth The Price?

Rox says

Sweet but a little too dull for me.

Debra says

Worth The Price

They married young because she was pregnant. But love was only one sided. Divorced a few years later. Do to someone cheating. Now their son is a teenager. Looking back on that time together is part of the story. Can they grow and forgive the other? Can love complete the story? Here is a great way to go about learning how and love can heal.

Pam says

Worth The Price: Worth Series Book 5: A Copper Country Romance is by Mara Jacobs. Is it possible to give love a second chance? Can you indeed really forgive and forget infidelity? Can you remain friends with your ex- in order to raise your son in the best environment possible? Mara Jacobs looks at these questions in her book. The book is great and well-written with realistic characters and unquestionably realistic events. It isn't quite as emotional as her other books; but it still has its moments.

Seven years ago, Twain and Liz were divorced. They had known each other in high school but didn't date then. They did date in college while Twain was playing hockey in hopes of getting in the NFL. Then, Liz got pregnant at nineteen so they married and in his second year of college, Twain dropped out to be there for his family. He worked in the logging business and became a partner in a small firm. The firm grew and finally he bought out his partner so the business was all his. During this time, he and Liz divorced but continued to co-parent their son, Matt. They have done an excellent job of raising him. Now, Liz has a favor to ask of Twain. It is one which will shake their lives up completely. Will Twain agree?

Beth Rand says

Unexpected

This story was not what I expected. It was better. Deeper. More layers. More colors. More tears. Loved all the characters so much, did not want this to end.

Jennifer Kirkey says

Book 5 in the New York Times bestselling Worth Series Can Love Grow Again? Liv Beck loved her husband desperately, but that wasn't enough to keep him. A failed marriage has taught her what's important, and how to get what she wants. Unfortunately, she'll need her ex-husband's help to get it. Twain Beck has dealt with the guilt of his divorce for seven years. Now he can finally make it up to Liv by giving her the one thing she wants most. But is the price too high? Spending time together reminds Liv how much she always loved Twain, but she knows she needs to protect her heart this time. Twain can't understand these new feelings he's developing for Liv. Could he be falling in love with his ex-wife? Is trying again...Worth The Price? This book contains 2-3 fairly graphic love scenes and the F-bomb is detonated once or twice. If it was a movie, it would be rated R. The Worth Series thus far: 1. Worth the Weight (Lizzie and Finn) 2. Worth the Drive (Katie and Dario) 3. Worth the Fall (Alison and Petey) 4. Worth the Effort (Deni and Sawyer) 4.5. Totally Worth Christmas - novella (Phoebe and Charlie) 5. Worth The Price (Liv and Twain)

Felt unfinished

I really liked the characters built in this story. The teenage son was a great addition. I found the ending to be disappointing though, all that build up and it just ended. I presume I have to buy and read the others to find out if she actually gets pregnant or not but that's a bit cheeky. I did enjoy it though and it didn't put me off reading it or recommending, just that rushed ending.

Barbara Dixon says

You can't help but believe in love...

No matter if you are head over heels in love or waiting and hoping for that take your breath away feeling, this book will touch you in a very special way... you'll be cheering them on the whole time because you just know they have to love each other... and you can't wait for them to realize it because they are so perfect together. But it wasn't always that way... sometimes love comes unexpectedly.

Joyce says

I'm not a fan of romance novels. I am a fan of well-developed characters who I'd like to go out and get a drink with, suspenseful plots, being transported to my favorite Michigan places or Vegas, and pithy quotes. That's what I can count on whenever I start a book by Mara Jacobs. I can't wait for the next one!

Niki says

This is the next book in the The Worth series by Mara Jacobs. I like all of the characters in the book and can't wait to read the next book and see which of the characters it will be about. They are fast and east contemporary romances.

Vikki Vaught says

This one has a very unexpected twist toward the end. I thoroughly enjoyed the characters and the plot. Can't wait to read another book in this series. Happy reading/listening!

Michele says

“Worth The Price”

Great story!! Some twists , believable characters, Upper Peninsula makes for a nice back drop. Will not disappoint. Definitely add to the list “to read”.

Lisa Montgomery says

I actually gave this book a 3.7 on the 5 point scale.

This is book 5 of the Worth Series, which is one of the problems with the story. I've not read the previous books and so when "old" plots are mentioned, I was lost. The author also spends a good deal of time setting up future plots with the other Beck brothers. Eighteen characters were introduced in the first 16 pages. It got confusing quick.

I do like the concept of the story: the idea that not all divorces are final, and that young love can mature and last. However, I found the story line a bit "preachy," saying the same thing over and over, and not even in different words. The ending appears a bit rushed. The story dragged until the ending, and then "bam" it was over. There were also lots of curse words.

There are some grammatical errors that should be addressed:

Be aware of split infinitives such as "to truly speak her mind"

Need to use possessive pronouns before gerunds as in "my becoming" or "his losing"
"Different than" is never correct. "Different from" is the correct form.
I also wondered if the NHL was not a registered trademark.

Holly Ervine says

Okay Book

I have been an avid reader of the Worth Books over the past couple of months. While this one does have a good story line and I enjoyed the ending, it seemed slower in the beginning and middle. I do enjoy the continuation of all of the characters.

BURMA says

Nothing special.
