R to L (Japanese Style)

By night, junior high student Yoshimori Sumimura is a "kekkaishi"--a demon-hunter who specializes in creating magical barriers around his prey. By day, Yoshimori's got some other demons to battle: an addiction to sweets and a seriously crotchety grandfather! Yoshimori's pretty 16-year-old neighbor and childhood friend, Tokine Yukimura, is also a kekkaishi, but their families are feuding over who is the true practitioner of the art.

Yoshimori and his elder brother Masamori are trapped inside a magical realm... The site's guardian wants to steal Yoshimori's body, and a renegade council member pits brother against brother! Which of the two will escape? And what will become of the other...?

### **Susan says**

I know I keep talking about how much I like the character designs, but Mudo is super-creepy without an overt signs of craziness. Tan-yu and his lotus girls are just adorable!

### **Aoi Matsushita says**

Masamori was always strong and seems perfect but he experiences difficulty in the battle with Mudou. This volume shows many facial expressions of Masamori. I want to know more aspects of Masamori! But now he is in dangerous. I don't want Masamori to die because I could see his new face... And I hope Masamori and Yoshimori have a good relationship.
