LoveScopes: What Astrology Knows about You and the Ones You Love Mark S. Husson

Each week thousands of listeners tune in to Mark Husson's Power Peek Hour on Hay House Radio. They know they'll gain insights into themselves and their relationships that they can only get from astrology, and they trust Mark as the one to lay it on the line for them. Now he leads you on this expedition of love by zodiac sign.

In this book, Mark takes the astrological signs two-by-two and shines the light of understanding on their relationship with each other. He gives each a LoveScope score to predict the potential success right from the beginning. You can use that score to learn how things can go better, how much effort you'll need to invest, and how to take a good relationship and make it into a great one.

Do you want to know what draws you to your partner? Or how to draw out the best in this person?

Mark maps this out for you with wisdom, humor, and simplicity, all from his perspective as a trained psychologist. *LoveScopes* addresses specific characteristics of each sign alone and in partnership, referencing powerful mythological archetypes to illustrate the principles. Let *LoveScopes* help you fix relationships you have . . . and help you prepare to plunge into those you want!
