AN UNDERCOVER AFFAIR...

Ever since DEA agent Alexander Cobb gave Jodie Clayburn a Texas-size brush-off, they've been sworn enemies. When he pushed Jodie out of his life, he told himself he was doing the right thing. But eight years later, this cynical long, tall Texan can't believe the baby-faced schoolgirl has turned into such a beauty. Or that he'd have to beg her to help him crack a drug-smuggling case that threatens Jacobsville.

Tantalized to the core, Alexander would risk everything to protect her. In a hot pursuit, the two are drawn closer together. Will the man in control finally get caught in his own web of danger...and desire?

Loved it!

I love everything this author has written. Alexander Cobb is a hard and very focused man. Jodie has had a crush on Alexander most of her life. When she overhears what he really thinks of her poor Jodie runs. You never know what you have until you lose it.

Christine Hayes says
