**Moomin: The Complete Tove Jansson Comic Strip, Vol. 5** Tove Jansson , Lars Jansson  
**The final volume in the series drawn by Tove Jansson**

*Moomin Book Five: The Complete Tove Jansson Comic Strip* features the final strips drawn by Tove Jansson and written by her brother Lars for the *London Evening News*, before Lars took over both the art and the writing. The first “Moomin Winter” returns with more unwanted guests than in *Book One*, especially the curious and secret-spilling Nibling, sending the Moomin household into a tizzy of secrecy and closed doors. In “Moomin Under Sail,” the Moomins find themselves without a new adventure until Too-Ticky’s compass gives them the idea to build a boat and head to sea. Finally, we meet the Fuddler in “Fuddler’s Courtship.” Mymble captures poor Fuddler’s heart, and his bumbling drives her straight into the arms of Dr. Hatter, the local psychiatrist. Delightfully quirky, the Moomin family does not fare well under the gaze of someone trained in correcting odd behavior.

## Moomin: The Complete Tove Jansson Comic Strip, Vol. 5 Details

# **From Reader Review Moomin: The Complete Tove Jansson Comic Strip, Vol. 5 for online ebook**

**Louise Klamer says**

Prima!

---

**Emily says**

This installment draws heavily on Moominpappa's Memoirs, but despite the unabashed recycling, it's still quite entertaining.

---

**Tomi says**

Taattua laatua Janssoneilta!

---

**Sara Forsberg says**

Three more chapters in the amazing Moomin comics, this time penned by Tove but drawn by Lars Jansson. Winter guests, Fuddlers and psychologists inhabit these stories, and they're just as quirky and funny and sweet as the others.

---

**Ademption says**

One star subtracted because the second, pirate-themed story, where the Moomins comment about how formulaic they act within their own stories and what is generally typical for their adventures, was necessarily boring. Otherwise, another solid Moomin book.

---

**Anne says**

Perfectly Moominy.

---

**Leif says**

Even Moomins get tired after awhile: Moominmamma sensibly putting out the bedding, Moominpappa asleep over his desk dreaming of oceans, and Snorkmaiden and Moomin himself perhaps sensing that they

should put their daily differences to bed or sort them out, once and for all. The three stories here – "Moomin Winter", "Moomin Under Sail", and "Fuddler's Courtship" – give up an arresting development of the principle characters in the valley, but readers will be familiar with elements of these stories from Jansson's prose stories. Of the three, "Fuddler's Courtship" is the most engaging as it presents the psychoanalyst as a figure of ridicule and fun, but "Moomin Winter" shows off Moominmamma to a good light and "Moomin Under Sail" is a bit of a rollicking adventure such as the Moomins need once in a while, and is leagues away better than the time travels of previous adventures.

Read as repeats of the prose this fifth collection of Moominstories might feel the tiredness of the Moomins heavy on its back. But seen in the light of their ending – this is the last collection of Tove Jansson, after which her brother Lars Jansson took over – they are all the more precious, despite (or more probably because of) their sleepy eyes.

---

### **Nikki says**

Loved the story with Snorkmaiden and Moomin trying to get someone together with Mymble. Especially the ending... The characters remain their quirky, adorable selves. And I do love that Moomins look like hippos.

---

### **Pauliina says**

Ilmeisesti tämä viides kirja oli pelkästään Lars Janssonin käsialaa ja no, kyllä sen huomasi. Toki oli varmasti paras ratkaisu että Lars rupesi näitä neljännen kirja jälkeen jatkamaan (jos niitä kerta oli pakko jatkaa), mutta piirrosjälki on paikoitellen todella epäselvää ja tuntuu kuin tämä olisi vain nopeasti hutaisten tehty. Totta kai Toven isoja saappaita on vaikea täyttää, mutta ei tämä silti oikein uponnut.

---

### **Sasha Ustyuzhanina says**

????-????? ?????? ???????? ??????, ?????????????? ? ?????? (????????? ?????? ?????? ???-???? ? ?????).  
????? ?????? ? ?????? ?????? ?? ????

---

### **Raisu says**

On the whole, this probably only deserves four stars, but I'm giving it five anyway, on account of the funniest ever portrait of a psychiatrist.

---

### **Charlie says**

the fuddler wears a saucepan on his head, collects buttons, and i love him.

---

**Zen Cho says**

I love Moomins. <3 <3 I liked the happy ending for the guy with the pan on his head, and the first story where everyone gets to be themselves.

---

**Brittany says**

There are 3 stories in this one. The book I had had some printing errors; in a couple of places some strips from a different story would show up. Very weird. These stories felt more meandering and less entertaining overall.

---

**MB (What she read) says**

Charming!
