""NINJUTSU IS THE ANCIENT WAY OF INVISIBILITY. WHAT DOES IT HAVE TO DO WITH THE STRANGE PROBLEMS AT YOUR FRIEND NADA'S AIKIDO DOJO? Ominous things are happening at the dojo of your good friend Nada ?powerful thunderstorms in the middle of dry season, objects that seem to move by themselves, piercing sounds coming from empty rooms. Nada traces it all to the arrival of a samurai sword from an anonymous benefactor. The sword has highly unusual and distinct carvings on its hilt. Nada feels the dojo is under attack and the sword has something to do with it. From nowhere appear five ninja, armed with swords, staffs, and blades. One of the ninjas draws his sword. With shock you realize that it is the sword from Nada's dojo! You meet his attack with aikido defense, grabbing the ninja's sword arm with your left hand. The sword flies off to your right. If you go for the sword, turn to page 18. If you go for the ninja, turn to page 108. YOU choose what happens next!

Aaron says

Bought this for my sons a few years back. Re-read it and found it just as fun to make my choices in the stories (even though they usually take you to same conclusion). I am working on writing an adult version for an office adventure.

Horia P says

I think that this book needs a bit more to it just because of how quick it jumped to it's conclusion.

Loran McDonald says

I have this book to thank for who I've become today.

Nicole says

C and her ninja books from the library! Too fun .

Zacaro Caro says

First choose your own I ever read, a special place in my heart for turning me in to this series -- and very, very suspenseful to my young imagination.

Nik Outchcunis says

Choose Your Own Adventure books were the best thing ever when I was a kid. Loved this one in particular.

Mike Angelillo says

Be warned!!! This is a very difficult book.

My outcomes were as follows:

1. Arrested for B & E (opposing clan's dojo) THE END
2. Burned alive in a ninja launched fire ball THE END

3. Accidentally pushed key witness off a cliff THE END
4. I fell off the same cliff THE END
5. Caught in trap on a forest path THE END
6. Assassinated by ninjas THE END
7. After my companion is captured by ninjas, I am forced to decide between joining the evil ninjas and death THE END
8. I solve the riddle of the ninja spirit, build a shrine to honor him and live happily ever after. Whew!!! THE END

There are 21 additional possible endings, but my self confidence is shot. No need to push my luck with the ninjas.

Henry says

it was cool because I like ninja's and samuri's.

Bueno, lo primero que hay que decir de este libro es que es **MUY CONFUSO**.

Si bien nunca había leído algo como esto, no me pareció muy original y no me encantó. Creo que los personajes son un meh, la trama un meh y nada más le puse tres estrellas porque:

- * Fue mi primer libro sobre ninjas.
- * Fue mi primer libro de *elige tu propia historia*, que terminé completo.
- * Lo disfruté, pero no me encantó.

Sobre los finales llegué a todos armando una red conceptual. Y si, parece más una tarea del colegio que algo para disfrutar leyendo, pero lo logré y puedo saber que hay más de dos finales bueno y malos.

Redondeando, creo que es una lectura para experimentar, no lo recomiendo si están buscando una super trama con unos super personajes.

Haadi says

I liked the book because it was cool and awesome especially one ending. When I was behind a sliding door I saw Miryamoto and after waiting for him to become defenseless I strucked at him super hard!!

I thought Nada and the sensei were super wise. I thought this at the beginning when they were trying to track down the donor of the sword.

The format of the book was good but at some parts they were dead ends but it was still enjoyable.

Noah says

It got boring, I just read it for the homework everyday after school...

Benjamin Stahl says

Pretty silly but entertaining anyway.

Lynn K. says

Lots of mystery and intrigue!

Heather says

I remember enjoying Choose Your Own Adventure books when I was little. When I came across this book at a library sale, I was excited to use it to introduce my kids to the series. While it was fun to see what choices they made as we went along, the story itself is a little strange.

Tammy says

I had completely forgotten about these fun little books until I ran across some at a used book sale. It was still enjoyable as an adult and I think my kids will enjoy as well.
