I'm in the mood for some Star Wars' Music!

My personal favorite, among all the pieces, is May The Force Be With You (the theme they used on the trailer of The Force Awakens). This also includes the song that was played by the band in a Cantina in Mos Eisley. The arrangements are fairly for mid-intermediate to late intermediate levels, in my opinion.

Definitely worth checking out for any Star Wars fan (or not) who would love to learn the themes featured on the Original Trilogy. :)

I had no idea when I bought this that it was for piano. All I saw was Star Wars. B
