### **Split Second**

When something distracts Secret Agent Sean King for a split second it costs him his career and presidential candidate Clyde Ritter his life. But what stole his attention? And why was Ritter shot?

Eight years later Michelle Maxwell is on the fast track through the ranks of the Secret Service when her career is stopped short: presidential candidate John Bruno is abducted from a funeral home while under her protection.

The similarity between the two cases drives Michelle to reopen investigations into Ritter fiasco and join forces with attractive ex-agent king. The pair are determined to get to the bottom of what happened in those critical moments. But high ranking members of the local legal system and key witnesses from both cases are going missing...

### **The Christmas Train**

Disillusioned journalist Tom Langdon must get from Washington to L.A in time for Christmas. Forced to take the train because of a slight misunderstanding at airport security, he begins his journey of self-discovery and rude awakenings. He has no idea that the locomotives pulling him across America will actually take him into the rugged terrain of his own heart, where he will rediscover people's essential goodness and someone very special he believed he had lost.

I had marked both books separately on Goodreads when I first read it in 2009. I didn't even remember that I had an omnibus because I had lent it to a friend ages ago. However, I suspect that I also have another copy of The Christmas Train somewhere in the house. I think I bought an omnibus because that was the only edition I found for Split Second; and I was very eager to read the first King & Maxwell after loving Simple Genius.
