Emerging victorious from the Ghostlands after ending the undead Scourge's quest to obtain the Sunwell's potent energies, Tyri and Jorad's journey is far from over. Both are drawn into the Dark Portal and transported to the shattered world of Outland, where they encounter a group of enigmatic creatures unlike any they have ever seen: the incorporeal nether dragons. Observing everything is the ruthless Ragnok Bloodreaver, one of the original death knights created prior to the Second War. This undead terror has dark plans for the nether dragons, and if his agenda comes to pass, all of Outland, including Tyri and Jorad, will suffer.

El punto mas fuerte de esta obra es, sin lugar a dudas, el arte. Tyrygosa (Tyry) y mi idolo Jorad Mace estan de regreso, esta vez investigando los huevos de dragon en Outland, y el tal "Netherwing".

La historia es realmente mas floja que la Sunwell Trilogy, pero suficientemente entretenida para pasar el rato. Jorad Mace podria haber sido mas proactivo tanto en la accion como en sus sentimientos, ninguna mujer es conquistada con inseguridades.

Hauntingly beautiful artwork. I also like the storyline. Interesting manga. =)

Draží země rozhodně není špatný komiks, ovšem nijak nevystupuje z průměru. Hlavní zásluhu na tom rozhodně má i absence druhého a závěrečného dílu, který je pro fanoušky WoW docela zásadní a osvětluje některé nařknuté věci i z jiných sérií, nebo samotné hry. Fanoušci tak mohou jedině doufat, že se nad nimi Alpress, nebo jiné nakladatelství smiluje a znovuvydá tuto zajímavou sérii, která potěší každého pořádného WoWka.

Interessant manga dans l univers de World of Warcraft. Un peu court a mon gout, comme toujours pour les mangas, mais l'histoire est bien racontee et presentee.
