Defies categorization--in a genre all its own. A roman

a clef? Not quite. Think keyless entry. The plot? A gradually increasing realization that it is coming

to no rational conclusion. Essentially, just a loosely

related series of supposedly humorous vignettes.

You're a baby boomer, a former baseball player, an ex-private detective, and worked on a presidential campaign. You're married, with two kids. Who are you? I don't know, but I think you're in this book. This is about you, and how you got here. And remember that vasectomy? Yup. It's in here.
