Settling down was not on J.T. Hunt's to-do list--until his ailing father delivered an ultimatum. Now the millionaire bachelor was suddenly shopping for a bride. But, happily-ever-after came with strings attached: His prospective wife had to marry him for love.

To Amy Kelton it was like a fairy tale. First, she got trapped in an elevator with a tall, dark and sexy stranger. Now "Jared Taylor" had chosen her--a lowly assistant--over her beautiful, successful stepsister. Talk about being swept off your feet! But, when Amy uncovered "Jared's" secret, she had to make a choice--ignore her heart's desire or accept the dashing bachelor's glass slipper and run with it....

### **Annie says**

#### **Wonderful romance**

This was an incredibly romantic story. Not quick love or even a lot of sex. Beautiful story that gives hope.

---

### **Beth Owens says**

I really loved this book, it was so sweet and genuine.

---

### **Flitterkit says**

I have really enjoyed the books in this set, fun characters and easy reads.

---

### **tosca says**

Part of The Hunt for Cinderella series - working my way through them for the romance newsletter.

---

### **Kay says**

*3 1/2 Stars! ~ This is the second installment in the series, with brother Jared Hunt working out a Plan B as he's certain he'll lose his inheritance. Having Amy literally walk right into him makes him realize there have been a restlessness in his life. Spending time with Amy calms him and brings out his protective instincts. This is a sweet romance that I found heart warming.*

The Hunt for Cinderella

After suffering a mild heart attack, Harry Hunt faces his own mortality and realizes that his four sons are chips off the old block in their workaholic ways. So he gathers them together and proclaims that each must marry and their wives must be expecting by the end of the year, or the mighty Hunt dynasty will be sold off chunk by chunk. To further the challenge the brides-to-be cannot know that they are marrying into money, these must be true love matches!

### **Gail says**

Took me FORever to get through this book. It wasn't a bad book. It was just really, really slow. I don't do slow well. Anyway--the hero is under a mandate from dad to get married to a woman who wants him for himself, not his money, and he's not sure he can do it. So while he's off investigating the possibility of starting up his own firm--since Dad is threatening to sell all the family companies-- he uses a different version of his own name, and meets the secretary to a PR firm, and her stepsister. The secretary is Miss Sweet-and-Wholesome, who's taking care of her grandmother and being taken advantage of by the stepmom. Hero sees stepsis as a possibility, but he likes being around heroine, and wants to help her with gramma... It's a Cinderella story of sorts, but it moves Really Slowly. It was an okay read, but didn't measure up to the others in this series, IMO. Nice enough.

### **Halah Ahmad says**

Can you spell SLOW ? This book definitely can.

It's was an okay story , not that bad , but there were hardly twists to it , no romance\relationship build up , a little bit shallow , I did not get to know any of the characters even though story was long .

And I learned couple of words used here ( a lot ) i did not know they even existed before disquiet and restiveness .... Hmm

P.s maybe it deserve 2.5 stars .
