The Musician in Unit G Kris Cook

Nicco

I'm still getting used to my freedom. Ten years in prison definitely had an impact on me. Since my exoneration and release, I've had my eye on Josh the musician in Unit G. He's so damn sexy. I sense that he's hiding something from everyone. I know a thing or two about secrets. I caught a lucky break when he asked me to be his roommate. I'm moving in today. Who knows? Maybe he let his walls down and we can get real with one another. Really real.

Josh

What have I done? In a moment of weakness I agreed to let Nicco move in with me. Yes, I'm very attracted to him, on every level. But I can't pursue a relationship with him or with anyone. I've already taken too many risks. Not only am I going to have to quit my band, I'm going to have to figure out how to deal with Nicco living with me. He can't know about my past. No one can. If it gets out, I'll have to leave, which is something I'm too familiar with.

The Musician in Unit G Details

Monica says

So much excitement

So much exciting! Thrilling and fun, yet dangerous and on the edge of your seat gripping exciting! Really loved the story of these two coming together

Felicia Windley says

The Musician

I was so excited to read about Nicco and Josh story. Their story was truly a adventure well worth waiting for. As always the The Mockingbird Place series books are very well written. Can't wait to see who is next to find true love.

Christine says

Not quite as engaging as previous books in the series but a nice read.

Shaztwirl says

Not Quite.

A story that started out with great potential but ended up overloaded with cliches, debatable timelines, and unnatural conversation (trying to add as much information into the dialogue instead of the narrative). From the hospital onwards eye rolling and eyebrow raising were par for the course.

Jaimed says

Good

This is a good addition to a sweet series. I love the continuing family connection between everyone and how they all connect.

Katie Townsend says

Loved

The musician in unit G was such a beautifully written story

I fell so in love with Nicco and Josh their connection was so intense and so beautiful I just loved them

Nicco and Josh had my emotions all over the place I laughed I cried and fell in love

We learn so much about Nicco's past and Josh's past it was so interesting to get to know them much better

Following Josh and Nicco's journey felt like I was right there by their side with them it was perfect

I loved having a catch up with the residents of Mockingbird Place I love this series so much

Thank Kris Cook for another beautifully written journey from Mockingbird Place

Happily Ever Chapter says

> > Judging a Book by its Cover < <

This cover is very unlike the other covers in the series. Gone is the cityscape and the blending of it with the lead character(s). It is very subdued. Sedate in color and composition, even the title style differs. The synopsis intrigues, with the promise of getting to know more about the last remaining guys at Mockingbird Place.

> > Looking Deeper < <

Not only did this book have a different look, but it felt different, too. The writing style and format differed from the others - nothing terrible, but it IS noticeable and, at times, a little concerning.

POV ~> Alternating first person POVs, plus occasional first-person POVs from several secondary characters.

While Nicco is finally finding his footing as a free man, Josh's freedom is running out. When two violent pasts collide and turn to target their future, will anyone be left to survive?

I liked both Nicco and Josh as lead characters and enjoyed their chemistry together: instant attraction, roommates. Secondary characters included most of Mockingbird Place's residents, even if only by mention. It also included some newer faces from Nicco's employer, Josh's "mystery man" and crew, and people from both men's pasts. The plot was good; solid with dynamics and a smooth, easy flow. There were a few points where I knew where the plot was going, but I did not grasp the full content until it was laid out. Conclusion was solid and satisfying, with a hint of a possibility... will there be a Lawman story next? As a whole, I love this series and feel this was an excellent addition to it.

The one thing that worried me is that this book (again, verified purchase and not an ARC copy) was swarming with typos and this is so contrary to the Kris Cook I've read these past few years.

Temberley says

We finally found out Josh's secret and what a secret it is. Nicco finally moves in with Josh and the sparks start to fly fast. There is a little sad in this book but mostly all happy and lots of love. I was very glad that I got to visit the rest of the Mockingbird crew and that everyone is doing just fine. Was very glad to see more of Tony and Stephen and S & M of course. This is a great read and I highly recommend it but the best was to enjoy this book is to start with the first in the series, The Marine In Unit A, to really enjoy the Mockingbird Place

Denise GremoryKohta says

Wow!!!

This one had the nastiest bad guys yet. Suspenseful all the way through. I am a big fan of this author and can't wait to read more.
