The Rise and Fall of a Dragon King Lynn Abbey

"I, Hamanu . . . "

Hamanu the Innocent - his parents killed by an invading party of trolls. Hamanu the Survivor - enlists as a soldier, forging himself into the same heartless mercenary that killed his parents. Hamanu the Victorious - powerful warrior-king, and scourge of the Tablelands. Hamanu the lion of Urik, King of the World. . . and Dragon King?

He is the greatest threat to the city of Urik, and its only hope as well. Forces are conspiring to bring about a dreaded metamorphosis, and he is their only possible salvation. This is Hamanu's story . . . in his own words.

Valentin says

Product Description

The much-feared sorcerer-king of Urik, Hamanu joins a plot to force a transmutation that will allow him to avoid his own corruption but that will destroy all of Urik in the process. Original. 65,000 first printing.

Lucas says

Once again Lynn Abbey shows us absolute power and unending life on a brow that we can both relate to and find pity for. Her treatment of 'Power Characters' sets her apart from many fantasy writers today.

Don Javier says

Not much in the way of a review but this is at once my favorite (for the history involved) and least favorite (for the unsatisfactory conclusion) of the dark sun campaign books. But the Lion of Urik has to be among my all time favorite characters. And the story is worth the read.

Derek says

I should have paid attention to the publisher. Much as I love Dungeons and Dragons, TSR has never, to my knowledge, published a half-decent novel.

It will come as a complete surprise to everybody that this novel reads more like a D&D campaign than a novel.

Meh.

Genifer says

This was a good ending to an uneven series. Hamanu, the Lion King of Athas has been one of the strongest characters throughout the series and it's nice that the final book is his story - the story of how the God King came to be and who he really is/was.

There's a lot of political interplay and treachery that frankly, can be skipped but reading Hamanu's story and

any part of the story with Pavek or Windreaver is worth the effort.
