The Temptation Series: Two Hot Holiday Novellas About One Sizzling Couple Ruth Cardello

Two hot holiday novellas about one sizzling couple. Meet Kate & Brock!

Book 1 ~ Twelve Days of Temptation:

How far would you go if you were offered a chance to fulfill your secret fantasies?

What would you ask someone to do, if you knew they'd do anything?

After the death of her mother and the abrupt end of her marriage, Kate is desperately unhappy to be spending the upcoming holiday season alone. She vents her frustration in a letter to the one man her mother raised her to believe in—Santa Claus. This year she is rebelliously requesting something guaranteed to raise his eyebrows.

Brock Foster has wanted Kate since they were in high school. When he finds her letter, her Christmas wish becomes his obsession. Winning her will require skill and deception. Brock initiates a game that will bring them together and tear them apart.

Join Kate and Brock as they discover what happens when Santa puts you on The Naughty List.

Book 2 ~ Be My Temptation:

What would you do if you discovered the man of your dreams was lying to you?

Would you leave him or would you make him pay?

When Kate Hale chose between two men, she picked the nice guy. He is every bit as wonderful in and out of the bedroom as she hoped he would be. Until she discovers his secret. He's the man she wants to grow old with, right after she gives him a taste of his own medicine.

Brock Foster can't believe how well everything has worked out. He won the heart of a woman he's lusted after most of his life and is preparing to propose to her. When a game he thought had finished resurfaces and threatens to tear them apart, Brock must decide exactly how far he'll go to be Kate's Valentine.

Yasmin Vasquez says

Very good

I loved these two books they were almost erotica but done so well. I actually wish there was a third book so I could find out more it kinda leaves you hanging.

Debbie Collins says

Twelve Days Of Temptation:

Who ever thought a letter to Santa could stir up so much trouble and fun at the same time? Certainly not Kate, who was raised to believe in Santa, and she was also raised to act like a lady at all times. Well, she is frustrated with the upcoming holidays, since she has lost her mom, her husband, and really does not know which direction her life should now go in. She takes out her frustrations on Santa Claus, asking for things that will no doubt, raise his eyebrows, leave him shaking his head, and guaranteed to leave the reader laughing out loud, because what Kate asks for is not very ladylike. Brock Foster who knew Kate as a child, happens to find the letter, and he sets out to make all of Kate's dreams come true. His heart is in the right place, but sometimes he does not think things through to the end.

This was a great little novella, that I could not put down, although there were several times that I had to laugh out loud. I am glad I was alone when reading it, because other people would have probably thought I had lost my mind. This novella was a hot, steamy and quick read, and I loved it. It ended on a good note, but I am excited that I already have "Be My Temptation" on my kindle, so I can see what happens next.

Ruth Cardello, I loved it, and I have found out that if it has her name as the author, I am never disappointed. I know that the holidays have come and gone for another year, but if you love hot, steamy romance loaded with humor and great characters, do yourself a favor and read this book, it will not take long, and I already know you will have a smile on your face when you complete it.

Be My Temptation:

This novella continues the story of Brock Foster and Kate Hale that started in "Twelve Days of Temptation". At the ending of that book everything was fine, and it looked like they were going to be a happy couple. That is until Kate discovers his secret. Well, I guess Santa's elf, is now going to have to pay the piper, as they say. When Brock found the letter Kate had written to Santa, he did not think beyond the fact that he wanted to make her wish come true. Typical male! Of course, when reading that letter, it is no surprise that Brock could only think of one thing. This little novella, is all about a woman scorned, and how she gets her revenge. On the other hand, Brock will do whatever it takes to hold on to Kate, and I do mean whatever!!

If you love hot, steamy romance that will have you laughing at loud on one page, and saying I cannot believe he did that on the next, then this novella is for you. Don't worry about the holidays being over, it only takes a short time to read this book, and it is guaranteed to leave you smiling.

Ruth Cardello, I love your naughty side, and if you write it, I read it. I do have a favor to ask, please, please, you have to write another book or novella in this series, because I have to meet the woman that can make Tyler see what had poor Brock tied up in knots!! It will take a special woman to bring Tyler to his knees.

Es war nett für zwischendurch, aber nur wirklich nichts tolles. Ich habe es vor allem gelesen, weil der zweite Teil um Valentinstag herum spielt.

Book one

Every book I read of Ruth's I just get more and more amazed at the wonderful stories she gifts us. This one was no exception. It's a hot hot little read with great characters you do not want to miss reading.

Needing a Holiday pick me up this is your ticket

Book two

Another great addition to Ruth's books

Loved getting more Kate & Brock

Learning the rest of the story was great

Don't miss this one

Lenore Kosinski says

Twelve Days of Temptation:

2.5 stars -- I don't know....it was an ok read for me, but I wasn't blown away. Maybe it's because I did end up having a problem with the deception, and the fact that Brock chose to keep it a secret in the end? Maybe because we got to see inside his head, and the number of times he was focused on the sex and not seeming to care about the woman herself....not that it was always like that, but it just gave me a bad taste in my mouth. I found that near the end I was waiting for it all to blow up in Brock's face, probably b/c I know this is a two parter and I read the synopsis for the second book, so I made some bad assumptions about how this book was going to end. So I found myself less interested in the story as it went on.... Or maybe I'm just having one of those days?? I mean, I'm not even sure I care if I read the next part of the story....

Be My Temptation:

3 stars -- I tried to put away my grievances from the first book and start cleaner with this second book...and for the most part I achieved that. This one started off funny -- I mean, I guessed what was happening, but if I hadn't I probably wouldn't have appreciated it since it came across cheaty (and I'm a no cheating girl). And then I was actually enjoying myself not too badly -- it was nice to watch Brock and Kate together when things were good and pretending nothing was between them. But of course what I had been expecting at the end of book 1 had to happen (ie Kate had to figure out Brock was Mr. Elf), and then it was just ok again. I wasn't a huge fan of playing games to get him to confess, and so I had a hard time going through the emotions with Kate. It wasn't fun, though it wasn't meant to be.... I guess I just didn't feel sympathy for either of the characters, so I just wasn't all that personally involved in the storyline.

Wow, this turned into a longer review than I had been anticipating. All in all I just wasn't that invested in the characters or the storyline in this 2 part novella series. It wasn't bad, it just wasn't my cup of tea. I found I wasn't even that interested in the steamy parts b/c there was stuff hanging over their heads most of the time.

WHOA!!! THIS IS SOOOOOO HOT!! WHAT AN AWESOME SERIES!! WOW!!!

Becky says

Dnf!! To unrealistic to enjoy!

Christi Lofton says

Loved these two Novellas! The characters were great! The story was great! Ruth Cardello does it again with these novellas! Five huge stars!

Lorelei says**Great book**

really enjoyed this book, but that's nothing new haven't found a book she's written that I haven't. Great story and characters. definitely recommending

markee daniel says**Ohhh my**

So naughty!!!! I've read a lot of Ruth's books. I think this one is the naughtiest of them all. And funny at certain times. I totally loved Kate's friend Angie! A stay at home mother of two, even though she wasn't a main point in the book. I related to her in a real way. Not some fake everything is perfect way. Really great book all around!!!

Carlise says**It's was ok, but too much**

I finally got around to reading this book. It was a cute holiday read. The original premise was good and would make for some hot romantic scenes...the only issue was that it went on and on. Kate was a bit of a pain after awhile and while Brock was romantic and sweet at the beginning, he became a bit desperate at the end. I know we were starting to see the depth of their feelings, but good grief, could Kate be any more

dramatic?

All in all, it was a cute holiday read.

Phenomenal books!!!

I love Ruth's books, she is one of my favourite authors.

I love these books from start to finish.

I love the characters and the stories.

Jeanette Hodges says

The Temptation Series

Brock and Kate's story is one of romance, heartbreak, lots of laughs, and amazingly H O T sex. Don't miss these two wonderful stories.

Sharon Rudolph says

Ok book

There are 2 novellas in this book, I liked the 2nd one better. I enjoy steamy sex, just not on every page! In the first novella that was all they did. I didn't feel any passion, just lust. In the 2nd novella, you finally got to see how much they cared for each other. I enjoyed her other books more than this one.
