15 Dark Tales by USA TODAY BESTSELLING author, J.R. Rain:

"Vampire Nights" - Samantha Moon meets someone unexpected on a late night trip to Denny's, someone who seems to know all her secrets and has all the answers.

"Book Burning" - Two brothers find themselves on a late-night mission to burn a legendary book of supposed dark powers.

"The Silo" - The land is dying and crops are failing. The city of Wheatopia is in the middle of the worst drought in recent memory; that is, until a city-slicker and his too-thin wife arrive in town one day with designs to rebuild the town's grain silo into something majestic.

"My Father's Eyes" - Death comes to a small bar in Los Angeles...and orders a beer.

"The Fridge" - A man buying a state-of-the-art refrigerator gets much more than he bargained for.

"Die Spy" - A spy very much comes out of the cold.

"Step on a Crack" - An old curse gets a very real update.

"Two Ghosts" - Two lost souls find a way to be together.

"Deal With the Devil" - When a private investigator gets the wrong end of a deal gone bad...there will be hell to pay.

"The Back of Beyond" - Just another night in a lonely bar at the far edge of the world...or is it?

"Vampire Blues" - Samantha Moon is about to discover that not all men are created equal...

"Nightmare" - One parasitic vampire is about to meet his own worst nightmare...

"Soul Train" - A young boy who hears a mysterious nightly train, is about to come-face-to-face with something not of this world...

"Vampire Rain" - One ancient vampire takes it upon himself to rid the world of a deadly plague...himself.

"They Came From the Sea" - Clyde Goodbook makes a fantastic discovery in his backyard...a discovery that changes his life forever.

Ooof. This was, at times, incredibly trying to get through. Rain really doesn't present anything new in these stories which, while dark, are far from "black", IMO. So much is trite and overdone that I found myself slogging through a lot of the stories. I intentionally only have one ebook on my phone (my primary e-reader) at a time and that is probably the only reason I finished this; I suspect I'd have given up on the text version early on. This was my first exposure to Rain's work and I'm not all that excited to explore anything else by him.

I've read most of J.R. Rain's works including his Vampire for Hire series which so far is my favorite. I really enjoyed the Jim Knighthorse books and the Spinoza series and have had a lot of fun reading all the Vampire for Hire short stories so I thought I'd give these a try and boy was I not disappointed. I knew Mr. Rain was a great writer whose stories always entertain me and hold my attention but up until reading Black Rain: 17 Dark Tales I never truly realized what an imagination J.R. Rain has. There's a lot of stories in this books and even though I'd already read all of the vampire for hire short stories I still found this book worth every penny. You get to read about everything from ghosts to a really mean refrigerator that has a mind of it's own. On more than one tale I found myself surprised that it took a completely different twist than where I thought it was going. Mr. Rain knows how to keep you at the edge of your seat in suspension and I found myself biting my nails at more than one story. I like his wicked sense of humor and just really really enjoyed my time reading these short stories. Whether you've read his works or not do yourself a favor and read these tales. There's a lot to offer here and at the end I was thinking on all the short stories I've read in my life, especially from Stephen King and I realized I liked this as much if not more than anything else I've ever read.

A lot of different and interesting short stories. Samantha Moon even makes an appearance. Recommend this book for anyone who enjoys short stories with a twist.
