Emr Complete: A Worktext Daniel J. Limmer , Edward T. Dickinson

For courses in Emergency Medical Responder EMR Complete, Second Edition, is a combination text/workbook that enables students to instantly apply knowledge learned throughout a chapter by reading short segments followed by immediate review in which they can write and then check their answers. The Teaching and Learning package includes online access to instructor and student resources. Teaching and Learning Experience Meets the National EMS Education Standards. Enables students to apply knowledge and skills learned throughout a chapter from the perspective of an emergency medical responder. Supported with online access to resources for teaching and learning success.

Nathan says

Exciting and informative, a good read to understand how to respond to an emergency.
