Fire in the Hole

Debra Anastasia

Fire in the Hole Debra Anastasia

Here's what you, the brave reader, need to know. Fire Down Below has a sequel. I know; everyone's super surprised that Amazon allowed me to keep the poop-your-pants book up all this time.

In Fire in the Hole, Dove's sausage-loving neighbor has realized he's wildly in love with her lurchingly awkward butt. Johnson is the pharmacist of her dreams until he tells her over Twitter—goddamnit—that he has plans with an ex-girlfriend.

Duke scrapes Dove off her apartment floor and takes her to his cousin's wedding. As Pissboy and Cross-eyed Knockers tie the knot, Duke could just kick himself in the balls when he sees Johnson and Beth at the same venue driving Dove insane with jealousy.

Will Dove give up everything, even her self-esteem, to get Johnson's johnson between her legs? Or will the scent of spiced meat inspire Dove to rip off Duke's sausage-and-egg underwear forever?

Yup. I can publish this. No law against it... yet.

Debra Anastasia says

Praise for Fire in the Hole:

“Reading this book will give you haemorrhoids.” ~EL James, #1 NTY Bestseller

“Please take this garbage and shove it up the hole before it catches fire. Possibly the worst book ever.” ~Joy Fulcher, Amazon Best Selling Author

“Good God. Not again.” ~Tijan NYT Bestseller (who allows payments for friendship)

“Last book came with maxi pads. What's next? An industrial-sized tub of Vagisil?” ~Tina Reber, NYT Bestseller

“I think I'd rather read a bowl of alphabet soup Elle Jefferson Queen unicorn
Fool me once, shame on you. Fool me twice, shame on ... why did I agree to read this again?” ~Mary Elizabeth, Mother of Dragons

“Wait... what? Again? Does she own stock in those protective pads?” ~Nancee Cain, Amazing Author

“Hang on to your vagina (or mine), Debra Anastasia is writing another sick piece of shit? WHY????” ~Ana, Ana's Attic Book Blog

“Debra slapped me with her lady lips, pinned me down with her bosom, shoved my face against her hairy legs and threatened me to write this review...it's "great.” ~Meghan Quinn, Queen of the Obscene

“Takes an asshole to recognize a crap story.” ~Season Vining, Amazing Author

“I thought seeing the search results for 'Blue Waffle' was the most traumatic experience I'd ever suffered. But no. This book was far worse.” ~Cora Brent, NYT Bestseller

“This book had my anus puckering in fear!” ~Anne Mercier, Amazon Bestselling Author

“Debra broke the hole code! What happens in the hole is supposed to stay in the hole!” ~Rochelle Paige, Amazon Bestseller

“Are you kidding me? My eyes only just stopped bleeding from the last one!” Nicki Elson, Author of Romantic Things

“Have the brain bleach on standby!” Carol Oates, Amazon Minor Category Bestseller (but major talent!)

“Still no.” Jamie McGuire, #1 NYT Bestseller

"I was an innocent person, then Debra Anastasia happened." King Midian

"I thought Debra Anastasia was dead." Angie Lynch, CEO and President of Shameless Book Club

"So...has to be related to Fire in the Hole or should I say fart?!" ~Pepper Mint, Reader

"This book makes a case of genital warts seem like winning the lottery." Helena Hunting, NYT Bestseller

"This is worse than Godfather III!" ~Daisy Prescott, USA Today Bestseller

"This book is unforgettable, unless you pay for a lobotomy and three rounds of shock therapy like I did."
~Katherine Stevens, Amazing Author

"Debra Anastasia's work is consistent... consistently bad. Fire In The Hole might be the worst book ever published. Someone, please, please take her computer away." ~K.A. Robinson, NYT Bestseller

"Wait. I was supposed to READ this?!" ~Jillian, READ-LOVE-BLOG

"Debbie Macomber writes one hell of a story!" ~Vi Keeland, NYT Bestseller

"Our do not read list has one author: Debra Anastasia." ~The Rock Stars of Romance Book Blog

"This book was like an itch I couldn't scratch." ~Penelope Ward, NYT Bestseller

"Fire in the Hole is a grand piece of literary genius filled with lyrical prose and elegant writing. It is sure to be the next Great American Novel...ha ha ha, just kidding. The pages I tore out and used to clean my toilet bowl, however, made the porcelain sparkle, so there's that." ~Tara Sivec, USA Today Bestseller

"Seriously, Debra, enough with this bullshit. I had to see a therapist after reading the first book. I'm sending you the bill." ~JM Darhower, USA Today Bestseller

"She's written another book? Guess we have more paper pages to use as TP if we run out...." ~Liv Morris, USA Today Bestseller

"I still haven't read this book." ~Aesta, Aestas Book Blog

"Debra's work is best read by a roaring fire. It's easier to burn the evidence." ~CJ Roberts, NYT Bestseller

"Gaaaaaaaawd...Please. No more. Make it stop." ~LB Simmons, USA Today

"I caught something that made my vagina itch by chapter 5. Reader beware!" ~Robin Covington, Amazing Author

"It's clear that she's obsessed with vaginal issues. Someone should get her some help." ~Ella Fox, USA Today Bestseller

"Holy shitballs this is raw to the point of eww." ~Djenii Book, Awesome Reader

Hollie says

I have to say, this book was as ridiculous and far-fetched as the first book in this series, but I still found myself LOL on numerous occasions. It is in no way a "safe" read because the heroine does hook up with more than just the hero in this read. Then hero and heroines "friends" personalities were off the charts insane but once again I found them pretty entertaining.

I read this book at a time I was in the mood for something silly (but not the least bit serious) and this one certainly fit the bill.

Angy Potter - Collector of Book Boyfriends says

BOOK REVIEW: 5 CRAZY FUNNY FARTING STARS

This is how I see Duke in my mind.[/caption]

I was never more excited about a sequel than I was with *Fire In The Hole* . But why? Why would I want to torture myself (*she said it herself, not me*) with another crazy-weird book by the amazing Debra Anastasia? Because SHE IS THE QUEEN OF COMEDY BOOKS! Period! I love comedy, in TV shows and movies, and I never expected to read one book that could made me laugh so hard like *Fire Down Below* and when I knew there was going to be a sequel, I had to read it and it was more than I expected: **I UTTERLY LOVED IT!**

This book starts right where *Fire Down Below* ended: Dove is heartbroken after finding out that Johnson is going to attend a wedding with his ex-girlfriend, Beth and Duke is ready to help her heal her heart by inviting her to his cousin's wedding. The odds of those two wedding to be in the same venue were only high in this book, of course, and that made this book even crazy. The *fancy pants friends* of Johnson's and the *farting-sausage-loving family* of Duke's combination was a total disaster, and poor Dove had to suffer of jealousy and lust and shame and lots of farting/pooping attacks *chuckles* POOR DOVE! And at the end, Dove had to make a decision about the love triangle with Duke - *the farting neighbor*- and Johnson - *the sexy pharmacist*- . To find out who she pick you have to read this hilarious book.

I laughed and yelled at this book as I was reading it. I was so angry at Dove at some point but I loved all her craziness. When I finished the first book I was #TeamDuke and I loved everything about him in this book, he was always the best friend Dove could have, even when she didn't want it. His persistence was his strongest ally, also as the little help of Mr. and Mrs. Anastasia and her experience as a "romance writer". I have to say that Debra's fictional version in this book has a very interesting, but weird, way to write "romance". #**ROFLMAO.**

There were two side stories in this book: Shannon and her French King - *BWAHAHAHAHAHAH* - and Flower's love for Duke and injured cats. I laughed so much with their POV's.

I only have left to say: **THANK YOU DEBRA ANASTASIA!** For making me laugh out loud, for making fall in love with Duke, for writing the best heroes/antiheroes and most of all, for being always SO AWESOME!

Suzanne the Bookaholic and Proud says

LOVED THIS!!!!

I don't know where debra anastasia comes up with the witty remarks but I may have to use them through everyday life now, I laughed all the way through this book that I was crying with laughter and don't know how many times I crossed my legs to stop wetting myself it was that good, poor dove I don't know how she gets into these situations I thought I was the only one with that much bad luck, it nice to read about someone who is as bad as me.

I'm gonna miss this series I was soooooo happy a second book came out and now there is no more, hopefully in the future somewhere there will be gynazule 3 and I can't wait for it xx

Janet Romano says

Debra's done it again. Brought back all the ridiculousness of Dove, Duke, Johnson and the gang, and I loved every minute of it. If you like to laugh out loud, this is the book for you! Duke is my sausage scented hero.

Nicole says

2.5star. I wanted to like it but sadly, I couldn't. Detailed review to come.

ARC was kindly provided by author in an exchange of an honest review.

Heidi 1820 says

I loved Fire Down Below so I couldn't wait for this one but I was worried. Was she going to clean it up? Had she realized she had taken her writing too far? Would she seek redemption for the first one?

I'm so happy to say none of these things happened.

The saga continues when the underbelly of these characters are exposed and we find that sometimes being a man means not holding anything back, letting go when he should, chivalry comes in all forms and learn the

true meaning of love and empathy.

With all their strange idiosyncrasies, this author made all these characters loveable and when peeking inside their hearts, I found myself cheering all of them on.

I applaud this author's writing and I hope she isn't done with this series because when the fart blanket is pulled back, there's a pretty sweet love story underneath.

So if I have any advice for the reader, dislodge any visible sticks protruding out of your body, turn off the part of your brain that checks off the do's and don'ts, take a fun ride and enjoy every minute of it.

Highly recommend

Keli says

OMG... no I did not crap my pants..I pee'd em.. wedding receptions to dropping balls to dick n boob moldings. wuv wuv wuv this series.

☆ Bianca ☆ BJ's Book Blog ☆ says

NO COMMENT ? LOL

?*? Alicia ?*? says

I liked it for all the ridiculous that it was. A complete dig on romantic fiction that makes you think adult diapers are a good idea. So many LOL moments my children thought I was going cray-cray :) Not as good as the first only because french twat pissed me off but I found a soft spot for Duke and loved the wedding weekend.

WiLoveBooks says

Debra Anastasia does not follow the rules. I adore that about her. How can I get through not just one book filled with disgusting bodily functions humor and awkwardness, but two? I admit it's not normally my thing, but this book had me laughing until I had tears in my eyes. That's not enough to keep me reading, though. Under the potty jokes the story is about people, some of whom are disgusting and awkward. But they're people trying to figure out themselves and relationships, both friendly and romantic. It's about being real, or learning to be real, and figuring out what is important. I got all that from a book filled with fart and penis jokes? You bet.

Lissa Smith Reads' ~Bookaholics Bookshelf Reviews says

I wasn't expecting this until December... I was thrilled it was ready early. Furthermore, I was impressed that

book 2 was just as funny as book 1. Every now and then you need a book to be so funny you spew wine from your nose. Duke is such a sweet cluster fuck it's wonderful. How can you resist your stepbrother. LOL awesome!!!

Will Dove give up everything, even her self-esteem, to get Johnson's johnson between her legs? Or will the scent of spiced meat inspire Dove to rip off Duke's sausage-and-egg underwear forever?

Yup. I can publish this. No law against it... yet.

This was unbelievably hilarious!

It was a fucking disaster of inappropriate behavior, comments and thoughts.

I never laughed so much in my life!

I can see why all of the comments in the beginning of the story are there!

This is a crazy funny story about friends, neighbors, social media and societies fucked up view of classicism.

I can't even believe this is a sequel.

Who knows what is in Book one but, I'm sure I'm half way to six pack abs

after reading this.

Hell with P90x, Debra Anastasia will do it in a couple hours. I caught all her shot outs to her homies and I was truly entertained

and engaged in this psychotic comedy. There aren't many words to explain it.

Just #OneClickThatBitch

and find out WTF is so funny.

Fire Down Below

Summary:

Dove Glitch is embarrassed about everything above her knees and below her belly button. When she has to fill a delicate, embarrassing prescription the last thing she needs is a sexy-as-hell (and brand spanking new) pharmacist behind the counter.

Johnson Fitzwell's first day of his dream career also happens to coincide with the exact moment Dove needs her feminine meds filled. His glorious voice is way too loud—as in, he should be counting down the hits with Ryan Seacrest kind of loud. Thanks to Johnson's handsome face and gorgeous jaw line, Dove dives headlong into her waking nightmare and asks for a vagina-scented cream.

How could she not fall for him? Dove's only active goal now is to get Johnson to kiss her right on the lips. Either set. However, his horrible girlfriend is one of many obstacles preventing her from making that fantasy a reality. When Dove defends Johnson in the most unhygienic, unconventionally gross way in the middle of a crowded restaurant, their tender, slightly tantric relationship is off to a galloping, farting start.

Each print copy of this book will be dipped in holy water by my mom, and glared at by my father as he purses his lips. Neither will help. So, drop your pants and turn to the left and cough. I hope you're not allergic to latex, because it's time to fill your prescription.

Anally.

Michelle says

Debra, I want my \$2.00! (Or however much money it is for a box of tissue!) I have now laughed so hard I cried my way through another box of issue and another one of your disturbingly wonderfully original works. You are a sick, sick individual, and the world is a better place because you are in it.

Monty Cupcake ? Queen of Bloodshed ? says

Can you believe there's a sequel? And yes, I read this colonoscopy of a book. It was in one of those moments where you think watching Vh1 reality shows are interesting. Same thing, but this was so much worse than any reality show, ever.

This second poop pants of a book is all about the aftermath of TSTL chick's new relationship with TSTL pharmacist. They did the deed, now they're maybe dating? Yeah, no one knows. In all his retardedness, pharmacist tweets he has to go to a wedding with his ex super bitch fiancée. Poop pants chick is devastated and cries it out on greasy sausage junk guy's chest. Greasy Junk guy realizes he's now tingly in his groin for PP chick and wants to make her feel better/get into her pants, so he invites her to his cousin's wedding as his plus one.

And omg, would you like believe it, but omg, like both weddings are at the same hotel. Like serendipity. Yeah. What follows is a bunch of visual miscommunication, "she saw & thought....", but was wrong, and "he saw & thought...", but was wrong. That old gag. Lots of poop, fart, ass, etc. "jokes" or "humor." Pharmacist is on the outs with PP girl, and now Greasy Junk is in the lead. Blah blah blah, oh my, the mystery, who will she end up with? (view spoiler)

This book was actually worse than the first book. Yes, WORSE. You know why? Because it had the POV's of her shitastic BFF's, the I-wanna-be-on-trend girl & the 10 words a day girl. They both need to be committed. Out of trend girl falls in love with a *Frenchman*, who is the king of Disney Epcot France in the Small World exhibit. Yeah, it's painful to even read here, I know. She follows his fake French ass on his quest to become a man with descended testicles. True love.

Ten Words a Day girl, she's in love with Greasy Junk and goes batshit when she finds out he's in love with PP girl. Her crazy goth ass goes after them.

Conclusion: Self publishing is going to bring about the apocalypse. This book should be used as the lining for an animal's cage. Save yourself and forget you ever knew this book existed. I'm off to bleach my brain and douse in holy water.
