This is the second book that I read in the series. I also read Lycan Contempt and really liked it. I read this series out of order so I am looking forward to reading Knox and Rose's book and Rindy and Brent's book~LOVED those couples and want to read more about them. This was a good story that I really liked. I am a big fan of S.K. Yule.

I had to laugh at Lorent because in the beginning of the book he wants to find his mate and have his own family so bad and then he finds his mate and runs away from her. lol He was such a sweetie~thinking he wasn't good enough for Melony. But Melony kept after him. lol Loved Melony and her pink hair!! She was a great character. Oh...the cat doing his business in the toilet just freaked me out!! lol ;)

Good story and can't wait to read the rest of the series. 3 out of 5 rating.
