More Shtuff - Mutts III Patrick McDonnell

Mutts centers on the day-to-day adventures of two companion animals: a dog named Earl and a cat named Mooch. Earl and Mooch interact with each other, their human guardians and a large cast of neighborhood animals. *Mutts* explores the special bond between animals and their guardians, and the endearing friendship of Earl, the dog, and Mooch, the cat. It strikes a delicate balance between joy, fun and responsible social commentary. *Mutts* has been recognized for its distinctive style, heartwarming humor and compassionate advocacy for animal issues.

Kim says

book 3

Gonzalo Oyanedel says

Más entregada a la sátira y con las (al parecer) inevitables referencias a la cultura Pop, le tercera recopilación de Mutts por fortuna no destiñe de las anteriores. Mucho mérito hay en la simpatía de los protagonistas, cuyas andanzas siempre es atractivo seguir. Bien por Patrick McDonnell.

Mommooshka says

More fabulous cartoons with Earl and Mooch by the fabulous Patrick McDonnell!

Susan says

More amusing strips by McDonnell. As the world that Earl, the dog, and Mooch, the cat inhabit grows larger, we meet more people and animals, and watch the artist's technique develop.

Pam Bales says

Nice series, newspaper comic strip compilation

Mary Catelli says

Read some more of Mooch and Earl's adventures.

More Shtuff features a sequence where Earl and Mooch ate each other's food and acted wacky; a trip to the farm; the story of the ugly duckling, the romance of a wild and a caged bird, and a number of one-shots.

Gaelen says

Absolutely wonderful. Mutts at its best.

Mike Aragona says

After having enjoyed the 1st compilation so much, I decided to go through book 3 sooner rather than later to see if the "magic" still held. The art is definitely cleaner and the relationship between Earl and Mooch deeper, but this collection wasn't as funny as the first. Still a lot of giggles, though, which makes it worth owning.

Manuela Tinoco says

love them

Raquel says

Já tinha saudades de ler banda desenhada. Foi preciso um namorado e uma biblioteca para me voltar a apaixonar pelas histórias e pelas tiras de BD - que desde o Tio Patinhas tinham ficado guardadinhas numa gaveta mental na minha infância longínqua. Foram os Mutts a fazê-lo - claro, com um gato super engraçado e amoroso no elenco principal das aventuras.
