NGE: Angelic Days: Volume 4

If the first three volumes didn't make it entirely clear where the story was going, this conclusion to the main story arc leaves no doubt. This is so definitively Shinji/Asuka, it's not even trying to pretend otherwise. And since I make no secret that I love the two of them together, that made this the perfect resolution! This is also one of my favorite depictions of Kaworu. All in all, out of all the spinoff manga, this is by far my favorite, and this is the volume where it all comes together!
