## **Remy and Rose' 2: A Hood Love Story** Mz. Lady P

The couple you fell in love with is back and their love for one another is being put to the ultimate test.

The loss of Remy Jr. has taken a toll on Remy and Rose`. To the point where they're questioning if it's worth the fight, but they have a love that's too strong for that.

A shocking revelation will bring the couple back to that familiar, happy place. They will become a strong united front. Waging war against the person who brought harm and heartache to their family.

In this installment of the series, Rose` is stronger than ever before and she's going hard to prove that she is worthy of Remy's love and shows no more weakness. Remy goes above and beyond to assure Rose` that with her is where he wants to be and it's them against the world.

Taking on their enemies may prove to be too much for the couple. They will have to ride together and possibly die together.

### **Jasmin Watson says**

OMG!!! I don't know where to start with this one. It was off the hook from the first page. I love me some Remy and Rose relationship and hope that everything work out I'm there favor. I can't stand Ava and Remy dad. That ending had me in the edge of my seat. I can't wait for part 3 to see how everything play. I hope that ending is not what I think.

#### **So freaking good**

A must read will have on you edge. The drama with these couples are just crazy. Remy and rose dealing with the lost of their son was so sad you will shed a tear. Madear holds no punches with her tongue. Neicee,peanut,honey and boe drama was scandalous but honey took the cake. Ava went to the extremes to get Remy but rose handled her. Rose mother returning to her life was good even tho dino still cheating. Remy fighting for his life wakes to a whole new drama and can't wait for part 3 for more.

### **Really Really Good!!!**

Now this is how you come back!This follow-up to part one of Remy and Rose is pure genius.The writer comes out straight going for the knockout and nails it.This story is well thought out that it builds all the way to the climatic cliffhanger.Before you get to the ending you get such a meater telling of this story.The story pulls back and gives you a somewhat realistic look at life and circumstances.This is a worthy series,that has a wonderful plot and all the twist and turns of a mystery.The supporting characters come in at all the right times as not to be as if they are taking over the story,it's just a nice blending.The comedic timing is so spot on that you find yourself having laugh out loud moments.What off to the author for a really good story.

## **Dannett says**

### **Omg!**

Oh lord that ending!! It had to be a dream, I hope it was a dream. I won't be able to deal if something happened to Remy or Rose. I swear is daddy ain't sh\*t! I need part 3 ASAP cause this left me speechless.

## **Bennita says**

Really good follow up to the first book in the series. Remy and Rose had to deal with the murder of their infant son. Their grief took a toll on them both and their relationship suffered. Remy was overwhelmed with guilt and Rose had no qualms about reminding him that their son's death was his fault. Revenge was at the forefront of their minds and I think this was the first time I ever laughed during a scene where someone was getting revenge. The characters in this book were hysterical, especially Madear. There were crazy twists, loads of secrets, lies and dysfunction. I didn't see half of the craziness coming and once again an unforgettable cliffhanger.

### **Cierra Stocks says**

#### **Part II was even better than the first!**

I loved each chapter from start to finish. After reading part I and part II, I can't wait to start part III.

---

### **Tynika says**

#### **Speechless!!**

I can't believe the ending!! This can't be the way this story ends. I gotta read the next book ASAP!! These cliffhangers really makes you want more!! Beware: Highly addictive!!

### **Shoney K. says**

I must say Mz. Lady P did her thing with this book. I mean, I really really enjoyed this book. I thought part 1 was good, but part 2 babyyyyy.... it was everything....Now I'm on to part 3...Part 2 had my mouth left wide open. I can't wait to see how things are going to play out. This series is a must read.
