## **Rob Roy MacGregor** Nigel Tranter

Rob Roy MacGregor was mythologized by Sir Walter Scott but was very much a fact in the Trossachs of Scotland in the late 17th and early 18th centuries. Scott's romantic image is however, far from the rogue which Nigel Tranter portrays in this classic work.

### **Kay Gilligan says**

This was a good quick read. Well researched bio of Rob Roy and also great insight into the 1715 Jacobite uprising and aftermath.

---

### **Margaret says**

Interesting read about the life and legend of Rob Roy. Historic non-fiction is not exactly my thing so although this was a short book it went rather slowly.

---

### **Don says**

Great read--typical of the Scottish story, though.
