**Spike: Satan's Disciples MC Zoey Parker**

HE SHOWED ME THAT LOVE WEARS LEATHER AND INK.

## **Spike**

I was raised in darkness. Blood and death are all I know.  
Finally freed from prison, my only goal is to make my MC even more powerful.  
That is, until Georgia walks in.

She's in trouble, she tells me, her blue eyes flashing.  
She's so beautiful, so innocent, so pure...  
That I make her a deal.

*Come to my bed and I'll keep you safe.*

## **Georgia**

When the Russian mob comes after my younger brother, I do the only thing I can: I help him escape.

**But now they're after me instead.**

With no other choice, I go to the one person who can help me – the president of the Satan's Disciples MC ,  
Spike Turner.

He makes me a deal that even Satan wouldn't offer.  
If I submit to his touch, he will protect me.  
What else could I say but yes?

What surprises me is how quickly I become entangled in his darkness.  
His touch is intoxicating. His kiss is liquid fire.  
But when I confess what he is doing to me – to my heart – he tells me he can never love me back.

I try to pick up the pieces of my life in the wake of his rejection, but the mob has other ideas.  
Trapped in their clutches, I can only pray that Spike hasn't left me to die.

*I love him – even if we're both damned to hell.*

*SPIKE* is a full-length, standalone romance novel with steamy hot sex, strong language, a happily every after ending, and NO CLIFFHANGERS. Contains dark and disturbing themes, and over-the-top sexiness that may be uncomfortable for some readers.

Perfect for fans of Sam Crescent, Jenika Snow, L Wilder, Sabrina Paige, Lauren Landish, Vanessa Waltz, Jordan Marie, and Nicole Snow.

*For a limited time, includes a free bonus novel, OVERDOSED, plus a sneak preview of my bestselling MC romance, STOLEN.*

# **From Reader Review Spike: Satan's Disciples MC for online ebook**

## **Juli says**

I voluntarily reviewed an ARC of this book (given by the author)...

This is my favorite Zoey Parker book. This book was fast paced but not rushed. The chemistry between Spike and Georgia was insanely not. I loved how Georgia loved her brother and did what ever she had to in order to protect him. We have love, action, betrayal, loss and steamy moments, basically everything you need for a good MC book.

Only issue I had was with the ending, it was a little too rushed and I would have liked an epilogue to see how everything worked out for them all.

---

## **Jenn says**

First off- I have to say that this did not feel like a biker MC book. Women were allowed in the club, and the leadership was weird. Spike felt like- since he was the leader, then that was that and you had to do what he said. Yet- he was also a weak leader at times, and listens to Cleo- who's a chick.

This was basically a group of damaged misfits, who felt like their only family is the gang- because really, that's what they were- a gang, not a real brotherhood biker club. That's how I see it anyway.

The bad guys? Oh geez. I felt they were a bit stupid at times. And the dirty cop- he wasn't even subtle about things- just too cocky. And Alex? A nervous nelly all the time- I'm shocked he was around so long.

I did like Georgia and Stacy. They had some balls. I really liked Jinx, and Roxy. My heart was sad for Jinx at one point.

---

## **Jill Kirtley says**

In this new book by Zoey Parker, Georgia gives herself to Spike the sexy leader of the Satan's Disciples MC in return for his help in saving her brother from being killed by the Russian mob. Can she do this without losing her heart? Can they save her brother? The story line was good, with danger around every corner, I would have liked Spike to have been a bit more of a hard ass, but I still liked him and Georgia was a tough cookie when it came to protecting those she loved.

I received this ARC free from the author for an honest review.

## **Robyn Shanks says**

### **Yummy bikers.**

I love MC books. This book was great. Loved it. Georgia's brother had a problem with drugs. Georgia had to help him get the money to pay the bad people. She ran out of options & had to ask spike for his help. Well written & will be reading more of her books. Thanks.

---

### **Jennifer says**

#### **I couldn't finish this book.**

This is the first Zoey Parker book I have not liked. Spike and Georgia's story just didn't make sense. Georgia's went to Spike for help to save her brother. Spike came off as a follower instead of the leader like he us suppose to be. Cleo the girlfriend, seems to be the behind the scenes leader by telling the group what to do. Spikes character comes off as weak. Georgia comes off as brave, but whiny. Not to mention the grammar and punctuation errors. I just couldn't finish it.

Also a pet peeve of mine. When an author includes an extra story, then please list the title. When I purchased this book I also purchased the other book that is already included in this book so I wasted my money buying the other book.

---

### **Jeannette says**

This one will keep you bouncing from foot to foot! Georgia meets Spike in a very unconventional way to say the least. She will do anything, anything at all, to protect her brother. Little brother got on the wrong side of the Russian mob and they are out for blood. Zoey Parker writes an intriguing and fast paced story of MC clubs, mafia, and family love. A must read.

I was gifted this book and am voluntarily giving my own opinion.

---

### **Candice Barrier says**

Wow! Parker did an awesome job on Spike!! She got me hooked in this book and I didn't want to put it down. I fell in love with Spike, Gabriela, and Felix. The heroine is so strong in this book that you just pull for her throughout the whole book, you don't want to see her fail. Parker takes you through the story line very well and keeps you on your toes. Definitely a recommended read!!!

---

### **Cally says**

We meet President of the Satan's Disciples MC Spike Turner who's MC has been having a bit of trouble with the Russian Mafia.

When a beautiful girl comes into see Spike asking him for his help who is Spike to turn down a damsel in distress especially one that has taken his breath away at first sight as well as getting to fight more with Russian Mafia.

Step forward Georgia. Georgia has been looking after her younger brother since she was 14 years old trying to keep in out of trouble. But now her brother has got himself in a spot of bother and Georgia knows she must do whatever it takes to look after her younger brother.

### **Kayread says**

I was only about 7 chapters in when I had to dnf. I've read so many mc books that this one fell flat. They constantly call themselves a gang. I can't name how many books I've read where when some one says gang the mc gets pissed and reminds them it's a club. Plus Cleo is a woman and is in all the official business. I felt she undermined him a few times. I did not like how I was in several characters heads. I prefer just the two main characters point of view. Spike and Cleo are sleeping together. That's why she doesn't have an officer patch. He also mentions she refused to be his old lady which means he must have asked her at one point. Let's not forget his vest as it was called in this book said leader. It should have been a cut with president on it. Again most mc books they get pissed when someone calls them vest.

Georgia goes to Joe's with a made up story to get Spikes help. Spike offers her help if she gives him what he wants. After he left Georgia's apartment and pulled up at the club he contemplated having sex or something with Cleo. Then mentions once he has his fun with Georgia he'll go back to Cleo. No thanks. I want the hero to know what woman he wants as soon as he sees her.

---

### **Janet Hammons says**

I received this book as an ARC for a honest review.

This book is great!

Spike is the leader of the Satan's Disciples MC. He is all panty melting badass alpha.

Georgia is loyal to her brother and needs help getting him out of trouble with the Russian Maifia. She has no choice but to go to Spike for help. When Spike meets Georgia he falls hard and fast. They have a war to fight though to keep Georgia and her brother safe.

Loved the story line! A bit violent for some readers, maybe? But for me it was great!

---

### **Julie Scott says**

Yet another great book from Zoey.... Spike and Georgia thrown together over the hatred for the same Russian mob.... Georgia needs help from spike ... she offers herself to him in order to save her brother from the mob... little did either of them know that they would fall for each other. Twists and turns throughout the book,, deffo recommend it, as with all Zoey's books.

---

### **Carrie Gubish says**

#### **Little Rascals**

I don't know what to think about this book. This MC was more like Little Rascals. The leader is the biggest wimp I have ever read. They also have there groupie's go into battle with them. There biggest guy there cries

and the leader has know idea what he is doing. And how does someone who just literally come from surgery come into a room at the hospital in a wheel chair and say what's up. This book needs serious help lol.

---

### **Dawn Porter says**

This was not IMO an MC book... terminology is wrong, the power between males and female was wrong and the whole MC didnt have correct 'names'.....

---

### **Lesley Walker says**

I was given this book as an Arc for my honest review. I really liked Spike, but I wanted to love it. Georgia is a great character tough and sassy, but I wanted more out of Spike to be honest. I wanted more Alpha male and I didn't feel much chemistry between the two. But this is a great story, with lots of twists and turns. I just wanted more of a spark

---

### **Wendy Livingstone says**

When strong and protective Georgia gives herself to the Spike the sexy leader of the Satan's Disciples MC in order for him to help her protect her brother from the Russian mafia, sparks fly. These two have an instant and intense attraction to each other. This story in full of violence, danger, drama, angst, and most of all love! This is a fast paced and wonderful storyline. Zoey has outdone herself with this book. I loved it!! I recommend Zoey's work to all readers, and I cannot wait to read more of her work. I voluntarily received an ARC from the author for an honest review!
