When A Savage Meets A Queen E. Shanie

Twenty year old Di'Jana Johnson is from the mean streets of Queens NY. She doesn't take anything from anyone & always demands respect. Knowing her worth she refuses to let anyone treat her in a way that she doesn't deserve.

Taking over the family business is something most people yearn for but not Zamor Ford. He moves to NY to take over a business that isn't really what it seems. With advice from his cousin Zamor is determined to make a name for himself and leave his mark on the empire state.

Wyatt has nothing but love for his cousin & has his back through thick & thin. But when things change on the business side they also change in his relationship. His girlfriend Yadira senses a shift in Wyatt & starts to second guess everything. Her suspicions don't only effect her and Wyatt they effect Di'Jana & Zamor too.

Will it all come together or will it get worse before it gets better?

That ending!!

OMG!! Jana and Zamor are so disrespectful!! Lol.. but I like them together. Wyatt and Yadira need to get it together. He made her feel insecure and can't see it.! Now Zamor baby mama is a mess.. Now she gots to pay for her foolery.

Life of a Queen

Jana is a handful and Zamor loves everything about her. Nothing like a man who becomes smitten with a woman that just blows his mind by her reckless mouth. Really not feeling his BM Tashanna but so glad Jana

puts her in her place. Can't wait for book 2 and ready for Wyatt and Dira to get their act together. I wanna say more but dont won't to give the book away!!

?????????????????

This book was most definitely filled with different emotions at some points. All of the characters were something else. Zamor and his family had me laughing the whole time. He was a fool for some of the things he did. His mother made things no better! I felt bad for Dira. Although her actions caused plenty of problems she honestly tried to apologize over and over. Some chose to forgive while others couldn't fully let it go. I understood where some of her conflicted feelings came from. Wyatt could have handled things differently and also owned up to his faults. Jana was a trip. She was definitely the perfect match for Zamor. Neither of them cared what came out their mouths. Zamor's baby mother I couldn't stand. She should have went about her business. Instead she wanted to play games and things don't look like they are ending well at all because of choices she made. So ready to see what book two has to bring.

OMG!!

This was a really good read! Zamor is a rude dude, and I love it. Di'Jana didn't know what she was getting herself into. I love how their "relationship" started, I thought it was super cute. I'm not sure how to feel about Wyatt right now. This book had me from the first page. It's a quick read too. That ending was crazy and I can't wait for part 2!

Shana dumb ass!!!!

I? can't believe her desperate ass doing all of this for a man who wants nothing to do with her. Jana getting shot was by accident Zamar didn't know who was at the door. Bugs dumb ass just messed up. I? really hope that Wyatt and Dira get back together...

Tammie Stephen says

This book had me laughing almost the entire time! Jana & Zamor together are definitely something else. Eventhough it seemed like a quick relationship, I liked Zamor feelings toward Jana. I feel bad for Dira though & wish she could get it together. Shanna is a total other story & hopefully she gets exactly what she deserves in part two. I hope the cliffhanger at the end of this book is not reality. Good job overall.

Shannon says

I hope Jana can forgive Zamor because it was an accident. I like them together. Poor Zamora I hope she's okay. Yadira has trust issues but I hope she gets Wyatt back. Great job I enjoyed it and can't wait to read part 2.

Book Plug Ms.McGill says

Where part 2 at?

Omg no book bae didn't shoot her or did he hmmmm? This book has me anxious as heck about part 2. The characters were crazy but the parents were just as crazy. The love and range of emotions in book were great. Hope you working on part 2. Great job

Monae Nicole says

Not the baby tho!

I love Zamor and Jana! I don't blame Wyatt for leaving Dira even though it might be bad on him later if she moves on. Dira really needs to work on her insecurities. Even though Jana is trying to fight her love and feelings for Zamor, I think they make a good couple. I hope Zamor and Zaza are ok. Cant wait to see what happens next.
