Dinner Disaster

L.J. Smith

Dinner Disaster L.J. Smith

Not for the faint of stomach. This is a scene which my editor and I agreed to leave out of The Vampire Diaries Book 6, Shadow Souls. It's definitely gruesome, but I would hate for these leftovers to go to waste.

Read on at your own peril . . . and if you're munching something, stop!

Daiva says

This is a scene which was definitely gruesome, but the author said she would hate for these leftovers to go to waste.

Carly Fries says

[FUCKING CANNIBALISM. (hide spoiler)]

Maud says

Dinner Disaster is a to soft name for what happened during dinner that day I guess. It's a fun story with lots of creepy dinner stuff and such but a lot of fun to read. All I can say other then that is that I'm happy I haven't had such a dinner in my whole life and I hope I can keep it that way.

R. says

This little short is rather horrific and yet oddly funny at the same time. Must admit to being rather glad it wasn't in the final book, but I can see why it's still shared online all the same. Seems there are a plethora of reasons Bonnie should get kisses from Damon lately.

M.D. Bowden says

Oh my God - would not recommend this at all - especially not to anyone with children! I'm glad it was cut from the original story (which I loved!) - I didn't think it added to it at all.

Felicia [Felicia's Ink(t)] says

That was a weird scene lol. I didn't know the clue until L.J. Smith interrupted the story to explain haha

Denisa says

Another rating: 3/10

Angi Wilson says

Loved it

Γι?τα Παπαδημακοπο?λου says

Θα μπορο?σε να ε?ναι αστε?ο, θα μπορο?σε να ε?ναι creepy, ?μως, τελικ?, καιταλ?γει να μην ε?ναι τ?ποτα απ' τα δ?ο. Just waste of time!!!

Annette says

I think I'm glad it's not in the actual book...I took me some time to realize what really happened but...I don't really like it, although yes, it does fit the world. I was just about to have a sandwich, but I'm not sure anymore if I'm still hungry...
