**Let Me Love You** Mia Madison

Bianca

Love ain't sh\*t. I've loved and loved and loved, only to be left jaded and broken-hearted. I'm finally ready to focus on myself, open my dance studio, and make my family proud.

But then Miguel crosses paths with me... and he's the sweetest touch I've ever experienced.

Miguel

Coming up in the mean streets of Miami has taught me a lot, but finding true love isn't one of them. I need a lady like Bianca - smart, sexy, inteligente. But she's so guarded she can't even see I'm the One.

I'm going to fix that. I'm giving her something no other woman has experienced... I hope she can take all of me.

**\*\*Let Me Love You is a sugary sweet sticky steamy novella with no cheating and a Happily Ever After.\*\***

Note: This story ends at 90% and includes a preview of Dangerous Curves Ahead.

## **From Reader Review Let Me Love You for online ebook**

### **Karina says**

I voluntarily reviewed an ARC of this book. I really enjoyed the latest book by Ms Madison. I loved the unexpected character twist in the story. I really liked Bianca and Miguel. I like dhow they connected so quickly yet took their time with their romance. They got to know one another and were able to find out what each wanted out of life. They were so sweet together. I liked that Bianca was focused and had a plan about the type of business she wanted to open. I liked that Miguel was willing to help her reach her dreams. This was a great story with a great HEA! I look forward to more great books from Ms Madison.

---

### **Stories in Review says**

Great, safe read. Very good book.

---

### **ViolinVixen says**

This was a change up from the usual Mia Madison romances, but I still really enjoyed it. It was an older man and a younger woman romance, but the switch was that the older man was the inexperienced one. Miguel was shy, sweet and insecure, but he immediately felt a spark with Bianca.

Bianca has just gotten out of a high-profile relationship that ended with her being cheated on. She wasn't looking for love at all, but when she met Miguel, she felt a strong attraction to him.

She tries to make her feelings known, but is surprised when he asks Bianca to coach him on how to attract a woman, instead of making a move on her. Between her dreams of opening her own dance studio slipping through her fingers and her ex sticking his nose in where it doesn't belong, Bianca doesn't have time to figure out what Miguel really wants.

Will Miguel be able to express his feelings for Bianca before it's too late? Will Bianca be able to find investors to salvage her dream?

Sweet and sexy quick romance. HEA. Standalone. No cliffhanger. No cheating.

### **Eve Recinella (Between The Bookends) says**

Oh, come ON...give me a fucking break. This dude is a 40-year-old virgin??!! WTF....

---

## **T Van says**

### **In This Tale, Miami Is For Loving**

Bianca teaches yoga and does burlesque performances, dreaming of owning her own studio and recovering from a bad breakup. Miguel, the sports agent, is a nice, nice person, and while he and Bianca are attracted to each other, neither feels like it's a good idea to act on it.

This is an example of the more urban and multicultural voice of Madison, done well. These are good characters, the plot moves at a decent clip, and the story doesn't try to do too much in a short space. It also appears carefully proofread.

## **Kiki says**

2.5 stars rounded up.

The reason for the mediocre rating is because I felt ZERO chemistry throughout the whole book.

Don't get me wrong.

Amazing hero and pretty good heroine.

As a matter of fact he was 40 year old virgin..

She was not.

I was ready to love the book. But I barely managed to finish it.

I think if this was a full length novel, it might have been more successful. This seemed like one of the stories where the hero really wanted to forge a friendship alongside the relationship BEFORE taking it to the physical level. So it needed time and space for character and plot development.

However, because it was a novella the whole thing was very abrupt and very forced!

Hero was extremely respectful, really well behaved and genuinely caring.

Heroine was NOT a bitch, just decided to live life after dumping a cheating ex. She also didn't make a big deal out of hero lending her money for her dance studio. She understood and accepted his good intention with an open mind and heart.

Could have been a 5 star read.

---

## **Di says**

I really enjoyed this book by Mia Madison about a young woman, Bianca, who is trying to make it on her own after a failed relationship with sports star. When she meets Miguel through a friend, the sparks are there but more importantly he is a gentleman, kind, and a bit shy. Miguel doesn't have much confidence when it comes to women so asks Bianca for help in that department.

What follows is a sweet, romantic story and I enjoyed that the story was just about them two, their feelings, their struggles and not allowing anyone come between them. They are two "normal" people, not billionaires, not playboys...very very refreshing. There is also a surprise twist which made me fall in love with Miguel even more. Highly Recommended!

## **SJ says**

I received a free advanced reader copy of this book and voluntarily decided to review it

Another great story by Mia Madison. Bianca is a dancer with dreams of owning her own dance studio, she meets Miguel the hot older man.

They become friends after meeting, Bianca is wary of starting a new relationship, Miguel is instantly attracted to Bianca. A beautifully written, exciting, romantic story with a couple of twists and turns that I loved

I always know I am going to get a fantastic read when I pick up a book by Mia Madison and this is no different, I absolutely adored this one and I think it is my favourite by this author so far

## **Sherry Westendorf says**

An older shy unsure man meets a talented woman who has been deeply hurt. This is a sweet, fun romance between an older man and a younger woman. It is a great read to relax with. It is good to read a story about a sweet man finding his love. Instead of an alpha male plowing his way through. Those are good too but this one is nice for a change and very well written. I was given a review copy and voluntarily review it.

---

## **Lisa says**

Miguel is a refreshingly different book boyfriend. He's shy, and blushes. He's sweet. This whole book was so sweet it gave me a toothache. And I loved it. These two really deserved to find their happily ever after. I would have liked to read that her ex got ran over by a truck or something, but what can ya do? I received an arc of this.

Another Brilliant Work Of Literary Art By Mia Madison

I am voluntarily reviewing an advanced reader copy of this book, Let Me Love You by Mia Madison.

It's like Christmas, my birthday and my anniversary all mixed together as one when I have a new Mia Madison book to read! Yes, she IS that good! They may be short but great things come in small packages.

Bianca works as a yoga instructor for someone else but her dream is to own her own yoga studio. Miguel is a business man that is celebrating his 40th birthday with his family at the burlesque club, Bianca also works at. The minute Miguel lays eyes on Bianca, he is transfixed, unable to look away. After the show, Miguel has the opportunity to meet her and she feels a strong attraction pull her towards Miguel.

They end up running into each other a few days later and while talking Miguel offers to help Bianca realize her dream of having her own yoga studio. Naturally, she is thrilled but not just about the studio, she is also thrilled because it means spending more time with Miguel and getting to know him better. Is it possible for them to have more than just a business relationship? Does Miguel want the same from Bianca as she wants from him? If a past demon shows up in Bianca's present and tries to cause trouble will it work?

4/5

Safe read!

Short read 90 pages

H is a 40 year old Virgin!

h not a virgin

Mild OM Drama

Mild Pushing away

No OW Drama

HEA with epilogue

---

## **Lauren says**

This book is short, fast paced and sweet. I liked this story and devoured it in one sitting. I wasn't once bored and grew to love the hero and heroine.

It was a nice change to read a story where the heroine takes charge. Miguel was quiet and very shy. He was a forty-year-old virgin and was looking for love. Despite being shy, as soon as he saw Bianca, he wanted her. He just never thought she would want him. Bianca liked Miguel for who he was. Despite him not being her usual type, she didn't push him away. She was willing to give love a second chance. I liked that when Miguel's job was put at risk thanks to her idiot ex Desmond, Bianca was willing to let him go. She didn't want him to lose his job for/because of her.

I will but this bluntly: I REALLY wanted to kick Desmond in the balls.

I liked the ending and epilogue for this book. My only disappointment was that Miguel didn't have an epilogue. I really wanted more of him.

The storyline for this book is easy to follow and a nice read.
