## **Making Choices** Ann Omasta

Both of the Davis twins are sexy and irresistible.

Will you choose the sweet and sensitive brother or the rakish bad boy?

Spice-o-meter Rating: This steamy romance is a solid 7.5 on a scale of 1 to 10--1 being 'Mild' (Grandma's diary - let's hope!) and 10 being 'Ooh La La, I'm blushing, but I can't seem to stop turning the pages' (The Fifty Shades of Grey Red Room of Pain).

In Taking Chances (the first book in this exciting series), we met Abigail Brown, a 28-year-old divorcée who had never felt sexually satisfied, much to her chagrin. Abby thought she had discovered her happily-ever-after ending when she stumbled upon the perfect man, who showed her the intense sensual bliss her body was capable of enjoying. Just when you thought you had this book all figured out, some unexpected surprises came along and completely shook up Abby's world.

Now, in Making Choices, the second book of Abby's story, she is faced with the impossible decision of choosing between the Davis twins. Who will Abby choose? Who should she choose? Will her decision make the twins hate each other? Abby has made a mess of her life. Will she be able to fix it and mend the relationship between the brothers she cares about? The wait is over! Find out now in Making Choices.

If you love naughty, complicated love triangles, you definitely want to spend the day (or night) getting to know the Davis twins!

## **From Reader Review Making Choices for online ebook**

### **Keatyn's Mommy says**

#### **Twice the fun with Twins**

Abby is just the run of the mill shy woman until she meets Sexy Seth! With having to leave post-it's for inspiration and little pep talks to having fun with twins. I fell in like with Abby. Seth is the man of her dreams until she meets Sam his identical twin brother!! Whew!! Are they completely identical? Only way to find out is to give it a read.

Great book would love more of this crazy crew of people!!

---

### **Mia Kerick says**

Ann Omasta may be a romance author but her novels' plots are so chock full of twists and turns that they have the makings of mystery. As the plots lifts you and carries you away on its wild ride (you know the ones where you think so hard that you become convinced you know what is about to happen, in fact you are sure of it, but then it doesn't happen) Omasta deals with issues of trust—in your own instincts as well as in the word of others—the concept of family—whether it is created by blood or choice or both, and the essence of what matters most.

I enjoyed Omasta's first novel in the Chances and Choices Duology and am now fully satisfied by its sequel Making Choices. Highly recommended.

### **Tina says**

This is the sequel to "Taking Chances", Book 2 (Making Choices) is the final book in "The Chances and Choices Duology"

This read (both books) was pure fluffy fun. I enjoyed reading both books. They were funny and entertaining. There was no great character or plot depth in my opinion but still I felt for the hero & heroine. Definitely an intriguing story that had lots of giggling moments.

At times it felt like there were things the author left out. It felt like she knew things that we didn't get to know. This was only a small issue though.

I received a free copy of this book via Booksprout and am voluntarily leaving a review.  
Chances and Choices

I cheated...I had to know which Davis Abby ended up with and I cheated early in the book, before she had met Seth's brother Sam. To say I loved this book would be an understatement...I inhaled it. While at times I thought Abby was a bit delusional with her rationalizations she really suffered from poor decisions making syndrome.

So I sometimes received questions about my reviews if there was cheating in the book. I can say that some narrow minded people might consider this a cheating but I totally didn't. I just bought the omnibus edition with all four stories. It's a Rave from Me.

### **Purpleduck4424 says**

I enjoyed this book as much as the first!! Will leave a real review on the last book!

---

### **Victoria says**

The first book was left with such uncertainty yet this book started right up with a definitive choice & the other brother acknowledging it was the right choice. Not at all like the characters at the end of the first book. Was expecting more angst.

---

### **Terisa says**

Abby finds herself pregnant and unsure who the father of her baby is. Is it Seth, the sweet amazing man that got scared and ran off when she told him that she loved him or was it his naughty identical twin brother, Sam, that makes her skin break out with goose bumps every time they're in the same room together? Both men have forgiven her for her indiscretions and are patiently waiting for her to choose. Of course, neither of them know that she's pregnant and since she slept with both of them within 10 days of each other, there is really no way to find out.

I thought that there would be more drama in this book considering the plot but because both men were so amazing, there really wasn't. I thoroughly enjoyed this book and laughed out loud at the epilogue when we finally find out what happened with ice bucket. I don't want to give anything away so I won't tell you who she finally chooses but I will tell you that there is a happily after for everyone in this book and I loved the way that author described the choosing of the name for the baby.

### **Lynn says**

Abigail is in trouble. After sleeping with both brothers she doesn't know what to do. Seth has come back

after disappearing, to say he lives her but she has to be honest with him and let him know she slept with his twin brother. They come to her and says that she has to chose. But she leaves for a week to do some thinking and do it alone. But will she find a solution? Which brother will she chose!

---

### **Karen Shortridge says**

I read all three books one after the other and I seriously could not stop, I loved all the characters and this part of a wonderful story. Honestly I laughed until I cried quite a few times and teared up just as many you do get drawn into their world. In this part Abby has a very hard decision to make after finding herself pregnant and now told both Sam & Seth but she also doesn't know who the father is and they both want her so now she has to make that decision on who she wants???

Does she follow her heart and choose Seth who is the stable, grounded guy or choose Sam the one she thinks about always, can't keep her hands off, bad boy who sleeps around.

Courtney helps her a lot and it's great how they are there for each other. I can't wait to find out next part.....

---

### **Angela Quesada says**

this was a good book - i just couldnt handle the wishy washy, insecure thoughts that came from this chick. I had to read past it.

---

### **Nancy Brady says**

The second half of romance duology that features Abigail involved with a set of identical twins, Seth and Sam Davis. Now pregnant, she must choose between the two...and she wants to choose the man she loves. The one that makes her heart race...the one that completes her.

But which one is the man she loves? Which one is the baby's father?

In this spicy romance, both of these men play a large part in her life. So, too, do her best friends Courtney and Annie. As her body grows ever larger with her baby, Abby will have to make some hard decisions in this conclusion of the first where she was torn between two lovers...

---

### **Crystal says**

#### **I love**

The Davis twins, they know tge meaning of FAMILY. Abigail and Courtney are a great pair of bffs. Annie, Abigails boss makes the book...she is hilarious. Off to buy book 3

---

## **Sylvie says**

Anna is pregnant but is the baby Sam's or Seth's? An interesting read as the brother's find out about the pregnancy and determine who the father is. Will one of them step up to be a father to her baby? Or will they be upset she slept with them both and let her deal with the pregnancy on her own?

## **Kim Wijnja says**

I received a free copy of this book via Booksprout and am voluntarily leaving a review.  
when I started the book I thought .. okay, we're going to look at it from his side. but when I read that it started on her side, I was very surprised. it was wonderful to read .. I soon found out that I had already brought in three parts before and so could just continue with the story. in a word a top book .. I will continue with part three.
