Prince of Monkeys Nnamdi Ehirim

A provocative debut novel by a brilliant young Nigerian writer, tackling politics, class, and power as a group of friends come of age in Lagos.

Growing up in middle-class Lagos, Nigeria during the late 1980s and early 1990s, Ihechi forms a band of close friends in his neighborhood. They discover Lagos together as teenagers whose differing ideologies come to the fore over everything from film to football, Fela Kuti to God, sex to politics. They remain close-knit until Ihechi's girlfriend, is killed in an anti-government riot.

Exiled by his concerned mother, Ihechi moves in with his uncle's family, where he struggles to find himself outside his former circle of friends. Ihechi eventually finds success by leveraging his connection with a notorious prostitution linchpin and political heavyweight, and earning favor among the ruling elite.

But just as Ihechi is about to make his final ascent into the elite political class, he encounters his childhood friends and experiences a crisis of conscience that forces him to question his motives and who he wants to be. Nnamdi Ehirim's debut novel, Prince of Monkeys is a lyrical, reflective glimpse into Nigerian life, religion, and politics at the end of the twentieth century.
