Riding Hard For A Thug 3 Nikki Brown

The words you are the father was the last thing that Char and Rondo wanted to see. Char feels the severity of the situation and doesn't know if she will be able to handle it and Rachel's drama helps to solidify her doubts. Will Rondo be able to keep his promise to Char while being a good father to his son or will this be the end?

Neala is patiently waiting for Zan to wake up, while she's dealing with news that could either make or break them. She's trying so hard to keep it together but when she finds out who was behind Zan's shooting she's pissed and ready for war, too bad she won't be able to act on it.

Ky is running around town like a maniac trying to find answers as to why his best friend is laying in a hospital bed and he is killing anyone in his path. While he's out running the streets he forgets about the one person that means the most to him, Asta. Will he be able to balance his relationship and his need for revenge. In this last instalment relationships are tested and love is on the line. Will the ladies let the drama swallow them whole and walk away or will they RIDE HARD FOR A THUG?

Fiyah, loved the ending!!!

Great Ending!!! That dang Tash was trifling for real. It's sad for Z2, but she did the unthinkable. Lovey and Simon, lol, when they both let go of people who didn't want them the found love. I'm glad the fellas handled Pink and Noble and them, they were too reckless. I love X and Wood, he reminds her of her throwed off brother. Great Ending ??????

Another Banger.....Nikki you are truly the best!!!!

This book was excited from the first page to the last. I swear I didn't wanted it to end. Zan had me in stitches for real he's really a Damn fool but I love him. I'm so glad that Lovely and Simon got their stuff together before it was too late. As for the rest of the snakes karma got them. Amazing series!!!!!(Don't mind a spin off with X and Wood IJS ?) ??

A awesome read

Yes, this was a awesome read to a great ending to this series. They went through a lot but everything worked out. Karma repaid those that needed to be repaid. I'm glad all the couples got a happy ending. Char the Real MVP because she stepped up in that situation with Rondo and took on the responsibility for lil Rondo.

So good

This book was good from beginning to end. I couldn't put this book down. I loved how hard the men went good their women and their relationships. Rachel was so trifling she got what was coming to her and do did Pink, Rondo and Rashon. I was glad to see that Char was able to get pregnant and have babies. I can't wait till your next book drops.

Awwww

That was a very nice and fitting ending! I'm glad the snakes and loose ends were tied. Everyone got what they deserved. It would have been 4 stars but the editing was quite off for my taste. It wasn't too bad to where I couldn't understand, but it was enough to be noticeable. Good job!

Samantha Avery says

Perfect ending

Love how nela held zan down when he was down. Char is a strong woman for taking in rondo other child and loving him unconditionally and rondo learned his lesson

Ky almost let his relationship get messed up because of his revenge and I loved how asta let he know he wasn't going to put her off for revenge. The book flowed from book 1 to book3. Author did a great job with the character development.

Lovedddd it!

This was a great series. I loved KY, and his savage ways. Zan was bae, and procreated a clone of him with Z2. I'm glad that Rondo was able to right his wrongs. Neala, Asta, and Char were true riders. This series kept getting better every book. This is a must read.
