Rozen Maiden, Vol. 2 Peach-Pit

Shinku gets a new servant in Hinaichigo, who, it turns out, belongs to Tomoe, Jun's childhood friend. However, Hinaichigo's need for companionship might prove harmful to the new doll owner. And when another Rosen Maiden shows up proclaiming that her twin has been taken hostage by a bad human, it's time for Shinku and Jun to find the missing doll.

There was some... plot forcing (Suigintou shows up for a fight, then inexplicably runs off) that kinda threw me for a loop.
