I'm all up to date and I'm dying because HOW DOES ONE WAIT AFTER AN END LIKE THAT?

### Anisa says

Yoon really does act like the "mom" of the group (I am still calling them The Dark Dragon and the Happy Hungry Bunch xD). I love how his arms were outstretched in a manner as if to protect them. I am so annoyed that Jae Ha was hurt by that idiot - Yotaka. He didn't even give the dragons a chance to explain themselves -

### Rachel says

Just read it (and watch the anime). It is absolutely perfect. This story has undergone immense plot thickening and astounding levels of character development.

Also, after 137 chapters - finally!

THAT CLIFFHANGER! WHY DO THEY HAVE TO TORTURE ME LIKE THIS??!?!?!

I binge read this manga after I finished watching the anime like two days ago and I am in love! It's got me hooked, I'm in love with the characters! Yona is so badass now, I am so ECSTATIC! The dragons are so adorable and wow, Hak.

### **Luna de Selene says**

Rara vez doy 5 estrellas, pero es que este tomo se lo merece.

Este tomo es resultado de los cambios que ha sufrido Yona a lo largo de su viaje. Deja de ser la princesa mimada a llegar a enfrentarse con reyes por el bien de Kouka.

Mizuho Kusanagi bien hecho ?

### **Joanne Sim says**

Things are heating up between the two empires. I'm looking forward to the next volume in this manga. Both the anime and manga are amazing.

It is wonderful how every character is unique and special in their own ways. They have their own personalities that no other character is able to replace them. I hope to see more of the 4 dragons in action in the next volume. XD

### **Neko Neha (BiblioNyan) says**

The intensity of a big battle is really starting to make things even more interesting and riveting than before! While the pacing has never been an issue with this manga series, I feel an adrenaline-rush as the climax (or so I'm hoping for) hastily approaches between all of the characters that we have grown to love, hate, and empathise with. The internal strength and strife that's been stewing within our protagonists may come to light with the next volume, which I will await with an irritating impatience because, holy shit, this series is glorious and I desperately want more!

### **Gabriela says**

Ack! I feel bad for Zeno. He's experienced so much pain. I'm surprised that he hasn't had a mental breakdown. WHAY DO THINGS HAVE TO GO SO WRONG?! Yona though! There is so much mental pressure put on her. Poor girl.

### **Florence says**

On poursuit les aventures de Yona avec la suite de l'intrigue commencée dans le tome précédent. C'est toujours intéressant et la tournure que prend l'histoire me donne envie d'avoir déjà le tome suivant. Les personnages sont toujours égaux à eux-mêmes, Yona continue d'évoluer. Je ne me lasse pas de ce manga.

First off, I have to say it - that cover is so misleading! :D The suspense in this series is at an all-time high, we're nearing the climax, and the stakes have never been greater, but... we get a cover with adorable Tao, her bodyguards and a WHOLE BUNCH OF... KITTENS? \*Dies laughing...\*

Okay okay, laughing time is over. I'm getting serious now, because this volume takes everything to a whole new level. When I say everything that could go wrong has gone wrong, I want you to understand how stressed I am. Just thinking about it sends me into a panic, followed by a desperate search online for the newest chapter... Because FEELS!!!

Many of you know my love for this series, but I honestly can't express how swept up I've become.... The characters, their world, the machinations of powerful leaders, the overwhelming themes of found family and friendship, and the heartbreak, inspiring journey of a young woman who wants to protect the people she loves... I feel like I can't express my admiration for Mizuho's work properly. Nothing I say will do her justice.

With a possible finale looming on the horizon, I can't imagine what I will do when the series comes to a close... Yona of the Dawn has become so important to me. It's been a part of my life at a time when I feel myself becoming stronger, just like Yona. And like Yona, I've discovered my very own Happy Hungry Bunch, a found family that accepts me unconditionally. To say that I'm grateful for the journey is an understatement.

\*\*\*I'm posting a few scanlations below, so if you don't want to be spoiled for anything, stop reading this now. You've been warned.\*\*\*
