## Alpha Games Volume 2 Terry Bolryder

This is part 2 in a paranormal romance serial, read part 1 before continuing on or you'll be completely lost!

Two years ago, curvy she-wolf Aspen ran from her pack and her future as alpha female, where she was expected to choose handsome, blue-eyed Rafe, son of the current alpha, as mate and the next alpha of the pack. Now she's back and living with three sexy former friends and pack mates, including Rafe, who promises to protect her from wolfish advances long enough for her to choose one of three potential future alphas without pressure.

Of course Rafe wants Aspen to choose him, and it has nothing to do with wanting to be alpha and everything to do with his feelings for the curvaceous she-wolf. But Aspen doesn't believe that, and it'll take time to convince her.

Time Rafe may not have, between a rogue wolf stalking Aspen and Aspen emitting pheromones that are making the other males in the house increasingly desperate to claim her for their own.

Important note from the author! Alpha Games is a romance serial about a female wolf shifter and the three sexy alphas she's destined to choose between. The story is told in novella length episodes with cliffhangers. I've priced each part low enough that by the time you have purchased all parts, you'll only have paid the price of one book (99 cents for each part). I know that this format isn't for everyone, but I love serials and find they keep things exciting for me as a writer. I hope you enjoy if you decide to still read it.

## **Wendy coling ( trowbridge) says**

The counting begins with rafe watching over them to stop them from going over top till aspen picks one but again rafe is in aspen thought and plays a game of trying to capture her heart but keep saying wrong things

## **Vicky says**

### **Getting more**

Interesting the further I read into the series. Now that things are getting more intense, maybe the cliché dialog won't keep distracting me.

---

## **Tammy Sowards-Sanchez says**

she has to pick a mate after her ex issues a challenge. will the guys follow her rules? will Rafe finally admit his feelings. will Fang show up? what will she do if he does?

---

## **Audra Hart says**

### **Things really get steamy in this installment**

The competition is on. Hearts and the right to be Alpha are on the line. Pheromones and runaway emotions cloud the heroine's mind and a bad decision could cost her and the pack everything.

Exciting, fast paced and steamy!

## **Tammy says**

### **Another great book**

I can always count on you when I see your books, thanks it hard to put down lol once I get strted

## **Michelle says**

### **Alpha game**

all she wants is for him to say he loves her. he tells her all the time. now she is in trouble. Hope they guys save her in time

---

**Patti Ashley says**

**Ugh!!! Cliffhanger**

Ashen is still an idiot. She has yet to realize what she wants is right in front of her. She is just too stupid to see it. I really hate how she is pitting the guys against each other and now Dang arrives.

---

**Stacy says**

Read Boxed set. Is not a stand alone book. Cliffhanger.

---

**MacKenzie Paxton says**

This wasn't as good as more recent releases by this author - but I still enjoyed it! It made me appreciate how much Bolryder has honed the craft and grown with the shifter characters. :)

---

**Emily says**

Geez, Aspen is stupid stubborn.

---

**Jessica says**

love it

---

**Jennymort ? The Dark Lordette, Dragon Lady, House of Slytheread says**

This is such a boring series so far. But here I go still reading the rest of this because I can't help myself.

~~Even if I am feeling pretty much frustrated due to the lack of smut. I mean honestly.~~

---

**Kimberly Walden says**

Things really start to heat up in book 2! What do you do when 3 HOT Alphas all want you? You start the

Alpha wars to see who can prove themselves worthy. Cute book - part of Kindle Unlimited!

---

**Kathy Harrington says**

Stupid, stupid, stupid. This girl needs her head examined. I mean really... Gullible. I have swamp land in Florida for her. The story itself though is good. I mean, who wouldn't like an alpha male tied up for your pleasure?

---

**jacqueline m. watson says**

**that special someone**

Aspen who is a she wolf returned home after going off traveling and live in the human world. Aspen find herself in the same predicament once again to be mated to an alph but she want to be able to choose her mate,
