**Forever the Boss** Lexy Timms

**The Reid brothers' lives are anything but ordinary.**

Dealing with the aftermath of a company attack, Reid Enterprise is trying to re-coop. At the same time Little Rock Golf and Country Club is gearing up for the Pro Golf Tournament, and Mark is figuring out how to squeeze a wedding in at the same time.

Nothing comes easy, but will the Reid brother's finally find happiness and not be consumed by the pressure to be the best?

*\*\* Forever the Boss is the final installment (book 10) in the Managing the Bosses series. \*\**

**Managing the Bosses Series:**

**The Boss**

**The Boss Too**

**Who's the Boss Now**

**\* Gift for the Boss (Christmas Novella)**

**Love the Boss**

**I Do the Boss**

**Wife to the Boss**

**Employed by the Boss**

**Brother to the Boss**

**Senior Advisor to the Boss**

**Forever the Boss**

*This is steamy romance, NOT erotica.*

### **Kim says**

This whole series was excellent!!! Sorry that this was last book of series!!! This was the first series I have read of lexy timms! I highly recommend it! Quick reading and story lines were great!

---

### **Denise Koopman says**

WOW! Really?... What a great author.

---

### **Maree Repa says**

I have been so happy to enjoy this most wonderful book, Forever the Boss. As it's the tenth and the final in the series I am sad as I adored the entire series called , Managing the Bosses. I loved every character. They were all just so imaginary and so brilliant too. Such a wonderful romance to thoroughly enjoy.

Alex was worried if Jamie was pregnant or not as it seemed to put pressures on them both, could she handle it? She still had her sister there to help too. Having two gorgeous twins can be a handful. Yet, the doctor told her she wasn't pregnant, but she still wasn't happy about that either.

Just maybe Jamie would want to have another baby. Such a fun, romantic tale this was. Thank you, Lexy Timms for all those most wonderful and cheerful nights enjoying your series xxx

\* I recommend this book to everyone!!

### **Cindy Levy says**

Wow a wonderful series.

---

### **Siriniti Kidd says**

I. can't stand her mother. my mom used to be that way, well not fully but very close. I'm glad they are all happy.great story

---

### **Amanda says**

I must say first off I loved this series in the beginning, but after the 5th book for me it just got to be repetitive. This book should NOT have taken me 7 days to read but it did because I just couldn't get into it, and I think that was because I didn't like Erica for one...her and Mark felt forced to me.

I probably won't read any other books by this author especially if there are more than 3 books in a series.

---

With that said though it took me forever to read this...it wasn't a bad book. If you liked the first few books or Mark in this series then you probably will like this book. It finishes up all the characters HEA for the most part.

---

### **Fiona Sheldon says**

This is the last book in managing the bosses series and I have to say that from around book 5, it started going down hill. This book is the worst of the lot. Sex just for the sake of filling pages to the point where I found myself skipping and not wanting to pick it up.

---

### **Dorian says**

The perfect ending to a perfect series. I was so sad when i finished this book. Once again the Alex Reid is the handsome millionaire but he only has eyes for his beautiful wife Jamie and their twin children. They are getting over the attack on Reid Enterprises and Alex's brother Mark is preparing for a major golf tournament and plan a wedding. Nothing is ever easy for the Reid brothers. Alex and Jamie have endured many trials and scandals but they make it through stronger than ever. This is not a cheap steamy romance. It is a beautiful love story and it was a wonderful ending that brought me to tears.

---

### **Ella says**

So this is a review on the entire series- Honestly, the series was sort of a roller coaster ride... and not the good kind. The **first 3** books were **ABSOLUTELY AMAZING**, but the rest of the series was so **monotonous and disappointing**, it made me want to get up and do stretches every few minutes to stay entertained (i don't mean to be Mean; just honest) . While reading the first three, i kept thinking 'OMG this is exactly what i've been looking for' but after that I continued reading and kept hoping it would get better but as soon as the plot started unraveling, the MCs started pawing each other. It makes sense why the author keeps repeating that it's a romance and not erotica because in each 100+ page novella, there was about 60 pages of canoodling and more(much more). I think if the author stuck to just 1 well written love making scene per book, the story would be completed in 5 books of the same length and it would have been a much better book. I'm sorely disappointed.

---

### **Dawn Martin says**

### **Managing the Boss series**

I really enjoyed this series. I couldn't stop until I had read all of them. It was a series where you wanted to know what happened next. The only thing that could have made it better is finding out more of what Christine's ending was. If they got married or what. But it was a really great series and I would recommend it to anyone who likes to read.
