# **From Reader Review International Business: The Challenges of Globalization [with MyManagementLab & eText Access Code] for online ebook**

**Michael says**

Broad overview of a variety of topics. Seems to be oriented at increasing awareness of issues.

---

**Alisha Hanson-Glatzel says**

I even read portions of this book out loud to my hubby during road trips. Really interesting & loads of valuable information.

---

**Kaz says**

It's in English, not in German... GR's description is incorrect. It's a textbook, so it's not a big deal, right?

---

**Shrusti Mehta says**

m nt able to read the book

---

**Jiajun Chen says**

QQ?
