Thank you Lori, for writing us a happy story about Jackson. I really enjoyed it. Keep them coming. PLEASE!

Patricia says

Loved reading about Emi and Jack's response to the surprise. I could not imagine being in Emi's shoes with all she had been through. Jack's response was perfect and just what Emi needed at a time when she was so scared and insecure. His adoration of Emi and positive affirmation are some of the many things I love about Jack Holland.

Jessica says

Wish it was longer!

Lisa Icard says

Truly an amazing series!!

Kara says

Beautiful... But I want more!

Lydia H says

This *short story* is AMAZING!!! I freaking LOVE Jack!!!! Read this AFTER the **Emi Lost & Found Series**.

Athena says

Everything Lori writes is from her heart! I can read about these "friends" forever!! I enjoyed being a part of Jacks and Emi's special moment.

Jackson is a wonderful short story written by author Lori Otto to bridge the gap between the *Emi Lost & Found* series and *Contessa*, the first novel of the *Choisie* series.

It has been many months since I finished reading *Never Look Back*, the final novel of the *Emi Lost & Found* series. I had forgotten how much I love the interaction between Jacks Holland and his wife, Emi. Their relationship has a special romantic quality that just makes my heart sing. In this short story, Emi confirms something she already suspects to be true. No spoilers here, but expect more of the impeccable, crisp and entertaining writing that we have come to expect from Lori Otto.

I absolutely enjoyed *Jackson*! *Jackson* a must read for fans of the *Emi Lost & Found* series! 5 Stars!

Laurie Baker says

Short but sweet, so hoped that this would happen!

Casey Corn says

This short story really made me like Jack more than the full novels did. I love how he reacted and how positive he was about Emi's condition. As always he comforted her and made her feel better.... Like Jack always does.

Barbara says

I absolutely loved this peek into Jacks and Emi dealing with finding out they were expecting a little one!!

Chantell Melgarejo says

I actually read this at the end of *Contessa* when I bought the ebook version and loved hearing about *Jackson*'s arrival. Emi and Jack had been through so much together and once they adopted Livvy they were complete.

They had come to terms with the fact that they could never conceive a child of their own so of course Jackson was their true miracle baby. It was bittersweet reading this and I loved every minute of it!

LOVE!

Roz Ward says

Really enjoyed this. Was lovely to see how things have progressed and how in love Emi and Jack still are :-)
