**Lone Star Secret** Lenora Worth

David Ryland's final mission is to fly a Middle Eastern orphan to Texas for lifesaving surgery. Yet, the secret awaiting the brave pilot at home requires courage of a new kind. The father David never knew suddenly has a name. A late war hero confessed his parentage in a deathbed letter—a letter that beautiful charity worker Anna Terenkov knows all about. If David can open his heart to the truth, will he also find room there for Anna?

## **From Reader Review Lone Star Secret for online ebook**

### **Mary says**

A very cute and endearing story to read between longer difficult books..a military pilot taps into his real feelings as he helps to rescue a young boy whose parents have been killed. With a fatherless background himself, he pursues to understand how other young boys and men are struggling. Then he meets someone who sparks his interest for a future mate...but he knows there are things to work out inside...Lenora is a very good author.

---

### **Karen says**

David Ryland is the officer getting Ali home. Anna is the head of the group bringing Ali back. Will Anna's best friend Trish's secret harm them all?

---

### **Pat Oringer says**

Wonderful rendering of the complexities of war and its victims as realized between two everyday "heroes" and their love guided by Gods transforming grace in the midst of it all.

---

### **Lauri says**

I finished it a little while ago, and I can't remember it to write a review.

---

### **Michele says**

Book 2 in the series. I've been reading them out of order but that doesn't matter as they are fine to read out of order.

David Ryland's final mission is to fly a Middle Eastern orphan to Texas for lifesaving surgery. Yet, the secret awaiting the brave pilot at home requires courage of a new kind. The father David never knew suddenly has a name. A late war hero confessed his parentage in a deathbed letter—a letter that beautiful charity worker Anna Terenkov knows all about. If David can open his heart to the truth, will he also find room there for Anna?

### **joyce lynn says**

not quite as "lite" nor as "easy" a read as the previous ones, but ...

good, quick, thought provoking, hopeful and inspiring

it's about more down-to-earth people w/ real problems, who also happen to be doing things for us Americans, who unfortunately, take them WAAYYY too much for granted!!!

---

### **Olean Public Library says**

-This book is about a man's final mission to fly a Middle Eastern orphan to Texas for a life-saving operation, and about a father he never knew he had. It is a good story.
