'You'll devour this in one sitting' Cathy Kelly

### **DOMINIC'S IS THE HOTTEST RESTAURANT IN TOWN**

And handsome owner Dom Coleman-Cappabianca quickly discovers that things are even steamier out of the kitchen ...

For starters, beautiful Carla Berlusconi the Italian-American waitress is causing a stir and Dom's ice-blonde girlfriend Tanya wants her off her patch.

While one of Dom's best customers, doctor PJ O'Sullivan still grieves for his wife, sure that he will never find love again. But then he meets Charlotte Keating, the perfect wife, the perfect mother and now the perfectly behaved divorcee ...

As the restaurant chases its first Michelin star, Dom is about to learn that when love is the dish of the day, it's a recipe for trouble.

## **From Reader Review No Reservations: The sizzling new bestseller for online ebook**

### **Munira Khan says**

thoroughly enjoyed this light weight book!

---

### **Cecly Ann says**

#### **Muddled but good**

I have absolutely no reservation in recommending this novel. I just didn't get enough of Dom and Carla, and their story was overrun by the drama unfolding behind the scenes with Cici and James and PJ and Charlotte. The characters and plot were not as fluent as expected, but the novel held its general theme and the plot created the right tension for the reader.

---

### **Rebecca Nelson says**

Easy read with likeable characters. Better than your average chick lit, but still chick lit nonetheless, so don't expect anything complex or over demanding (which is the genres appeal after all). As always, ends exactly how you want it to.

---

### **Gemma says**

Not too much to say about this book slow start gets better towards the end but then end with oh ok

---

### **mrs josephine b leech says**

#### **Amazing**

This is only my second Fiona O'Brien book and I am most definitely hooked, what a page turner. She has it just right, I laughed and I cried, and did not want to put it down. I loved everything about the characters you just want to know everything about them. It all just flowed, I would definitely recommend this book you want to get to the end but you also don't want it to end. Loved it!!!

### **Tracy Terry says**

Not too sure if I would have enjoyed this quite as much at any other time but given that I've been unwell this

was just what the doctor ordered - a nice light read, non-demanding, reading it was a bit like putting on a comfy pair of slippers and having a right good gossip with an old friend.

All about a mixture of individuals and their families, most of whom have Dominic's ('the hottest new restaurant in town') in common, No Reservations, with one or two exceptions, concentrates on the lives of beautiful, really beautiful, sexy women and rich, successful men. Hmm, actually very stereotypical when I think about it - the sexy though ageing Italian mama who loves to cook, the spoilt, rich, 'daddy's little girl', the ageing rock star, the feisty upper middle class grandma who tells it as it is - yes, they are all there, many of them bearing more than a passing resemblance to actual celebrities when I think about it.

A humorous enough read, I thought the authors observations quite perceptive. Not too sure about all of the love scenes though. OK, so there weren't that many of them and they were hardly what you could call explicit but I found them unnecessary and, after a while, boring.

---

### **Pam Webb says**

#### **Very readable**

Good story but jumped between characters too much for my liking. Did keep me interested enough to read on to the finish.

---

### **Emma Harley says**

#### **Fab**

Can book from start to finish  
A real page turned and I e noted it  
Definitely recommend this book to all fans

---

### **Nathalie says**

I really enjoyed this book, shown by the speed I read it I think! It wasn't too taxing, it was a nice easy read, with a good mix of characters and I really warmed to the characters and wanted to keep reading to find out what would happen to them.

Fiona O'Brien is definitely one of my new must-read authors, I would recommend this.

---

### **Mary Geraghty says**

#### **Another great read**

These books just keep getting better. I loved the myriad of life and characters in this book. We could all do

with a Jennifer in our lives. ?
