Second Chance at Forever Mary A. Wasowski

What would you do if given a second chance?

To right a wrong from your past?

A wrong that should have never happened.

A wrong that haunts you every day?

Would you stop at nothing to reclaim the one person you built your entire future around?

Hell YES! YOU WOULD!

Walker Reed, has everything a man could desire.

POWER. SUCCESS. WEALTH.

What he didn't have was Reese Mitchell.

The one woman who held his heart. One night she walked out of his life; disappearing without a trace.

Shattering Walker, and his heart to ache for her return.

SEVENTEEN YEARS LATER...

Fate has reunited them with an unexpected twist.

His Second Chance at Forever is standing before him, and looking as beautiful, as he remembers her.

Determined to find out why she left him, Walker will stop at nothing to learn the truth.

He's taking back what's his...

THIS TIME AROUND, HE WILL NOT LET HER GO...

Ren says

I thought I would try something different with this review. My memory is so shoddy and I'm always left with lack luster reviews since I forget half the crap I wanted to say. This book deserves every glorifying moment and I hope I do it some justice. I finished book one on Monday and felt this overwhelming NEED to read this one as soon as possible. I'm not normally a marathon reader but Reese and Walker's story touched my soul so deeply that I had to have it. I was prepared to beg for it and was so thankful to have it sitting in my mailbox yesterday morning.

After the last book left me emotionally crippled, I look forward to seeing what was in store for these two. The bonus prologue fast forwarded 17 years. 17!!! I couldn't wrap my brain around that. I felt this empty sadness for the two of them. I wanted to know why they didn't go after each other, not knowing my questions would soon be answered. How much heartbreak and these two endure? I'm not even 15% through and I'm hit with two more zingers. I don't think my heart can handle this. I'm sitting here anxiously waiting for the moment these two are going to meet again. The turn of events that lead up to their chance encounter are astounding! It felt like coming home. I'm so giddy I'm like a happy clapping seal!

At this point I'm still recovering from the whiplash from book one. Emotions are running high in this book. I'm so happy for the chance for these two to get their happily ever after but at what cost? You know what....it doesn't matter. I will root for these two any day. I just finished the book about 5 minutes ago and for the second time this week I'm crying my eyes out. At least my heart is not shattered this time around. I didn't think there was any way to top the emotions I felt in book one. Damn, I'm crying again. GOD what can I say about Walker? He's so frickin perfect. Can I just grab him out of the pages and keep him forever?

I have to share these quotes from the book because I'm a sucker for Walker. And might I add that I NEVER highlight as many passages as I have with this one. Oh boy! Here you go:

"Keep the stilettos on and your eyes open. I want you to watch me make you come"

WHAAAAAT I just about creamed myself. Excuse me while I make myself putty in your hands.

"I knew I could never be without her again. Reese was my drug, and I will always crave her."

Seriously? Can this man get any sexier? I'm prepared to beat you all off of him with a bat.

JC82 says

4 1/2 stars!

And the story continues and boy does it get even more intense.

So this is book two of the Series and it has been 17 years since book 1. Book 1 left us with both Walker and Reese devastated and apart and both Walker and Reese moving on with their lives never knowing the genuine truth behind the irrevocable and uncaring forces that tore their love apart.

Walker has suffered even more loss but has also gained a shining light in his life. BUT he is still missing the one person that could make his heart complete. Reese.

Reese has not just disappeared from Walker's life but has also lost two of her best friends and the closeness with her family. Isolated and still desiring the one man that owns her heart, Reese finally decides to take her life into her own hands. On a trip with the only person that gives Reese hope she finds herself staring at the one man she can't live without, Walker Reed.

This book takes you on their journey to a second chance. A second chance at a life that was snatched from them, a love that was torn apart and a destiny that was meant to be.

These two come together like a volcano and the passion is all hot molten lava in this installment! Nothing between these two have been extinguished all the feelings that we saw in the first book come right back in full force in book 2. More and More revelation comes to light in this book and even though Reese and Walker have a second chance there are still forces that will try to do anything to damage the love that they share. There is more at stake in book 2 but we finally see both Walker and Reese take the stand they needed to 17 years ago. They finally fight for their love and it is magnificent. I again enjoyed this book, I liked getting the different perspectives/POVs. I think it was important to see how these characters were both feeling in their heart and in their situation. The emotions run deep in this book and we become even more invested in what will happen with Reese and Walker. There was a bit of repetition, I understood why but at times it did get a bit tedious to read. I felt a great connection with these characters and I can't wait to read the rest of their story in the future.

Halos Horns says

So there will be spoilers read this review with caution!!

Sexy, heartwarming and hot sex!!

When I was first given Forever by Mary A Wasowski, I fell in love, I was heartbroken and totally shattered by the ending. Wow the cliffhanger of all cliffhangers happens in book 1. Now the wait is over and I fell even more in love with Walker and Reese. Their story continues 17 years after the destruction and shock that book one left us in. Walker's son, Jackson is now a senior in high school, walker is a single dad, mogul and quite frankly a little cranky. And he kinda became what he said he wouldn't, his father. The death of his wife is still hard to come to terms with, but the loss of Reese still haunts him all these years later.

Reese did what she needed to do to survive after Walkers's father completely extracted her from his life. Reese didn't want to stop fighting to get back to Walker, but after the final devastating blow to what was left of her life she finally gave up and stepped aside and let Phillip win. The win cost her everything she held on to. She isolated herself from everyone, her family, her best friend even her modeling. Now 17 years later her husband is married to his work and their daughter will be off to college soon.

The world works in mysterious ways, and though Reese and Walker were apart for so long their lives really have been intertwined throughout the years. They may not have been together but they were never really as far apart as they thought.

I cannot wait for the next installment!! One click this book you will love it!

Ahhh I should of never waited this long to read this series!!! Onto book 3 I go <3 <3

Mindy Guerreiros says

Oh my! What to say about Second Chance at Forever (SCAF)???

Well, it all started out when we first met back in February. It was an instant connection with *Forever*. From the moment I first laid my eyes on that beautiful cover, I just knew I'd be amazed by what was inside.

All my friends told me how much I'd love it. It was just one of those things I needed to see for myself and I'm so happy I did. Peer pressure is very rewarding when it comes to recommendations!! ;) ;)

When I stared at all the words of *Forever* that were displayed before me on my kindle, I knew it'd be love. It was that same love that lead me to read more with this book. More was just what I was looking for when I reached the last few pages of *Forever*. I wanted more and more is what I got.

I let out a sigh of relief when *Second Chance* came into my life. My heart skipped a beat when I saw how gorgeous Walker was on this cover. The time I had away while I waited for *SCAF* was torturous. But, I made it through because I knew it'd be worth the wait. Just knowing that there was more was enough for me.

SCAF jumped several years ahead but it had a back story that was just enough. It touched me in all the right places. It gave me enough detail, description, drama, humor, happiness, sadness, and sex. All the heartfelt words it contained, pulled on my heart strings. The sleepless night I endured....It was all worth it. I am so happy that I took a chance and read these books. This series has changed me. It has opened my eyes to the fact that love never dies. And that love can grow stronger with absence.

Now it has come time in our relationship that I must wait for more again. And I will wait! I will wait because I know it'll all be worth it once I get my greedy little hands on Our Forever Promise. So, Bring. It. On. Sista! I'm ready for what you have to give me. You hear me?? I will wait for you and your amazing writing. I will wait for more because my love is strong enough!!!!

Readers: Do yourself a favor and read this book! Don't worry I'll share with you. I encourage you...Go ahead one click it, you know you want to.....

Angela says

Heaven! oh yes, I'm in heaven! i don't know what others words can i say about "Second Chance at Forever",my dictionary is very limited compared to the feelings that flow inside of me!

When i've read the first book in the "Forever" series, i was very upset about the tragic ending of the story! I'm really a "born romantic" and i can't bear separations!
I've hated Walker for not having fought for Reese and for having let "Evil" Phillips win!

In this Second book My Walker has become my White Knight !! this is my man ,i knew that in any moment his strength would be coming out !!!

Reading this book is like running over and over without a finish line ! I love love all the chapters, you can find all the emotions of a lifetime : love,hate ,fear ,happiness,hotness,strength and so on!
I experienced firsthand this story being Walker , Reese, Jackson ,Riley and Nana ! In those days while reading i was really mercurial and very very excited!! It's very difficult to put down this book!!

I love the new characters in this story: Jackson is a very very sensitive boy . The young version of Walker. Riley is the young version of Reese even more stubborn than her mother!!! i love love Them!!!

I adore Nana ,the wise grandmother for being by Walker side in these long long seventeen years.
I Hate Samuel ! Why? Because this is the kind of man that think only about himself and his career ! In life Love and affection is what counts!

I love Reese because finally has found the strength to fight for her Forever Love, My Walker!
Oh and the others Sneaky characters ,above all Henry Townsend and Dead Phillips!! they are pure hatred ! i hate them from the bottom of my heart!

i adore Walker and Reese moments ! My heart bursts with love ! I've reread the scenes more times and i adore them more and more!

This Amazing talented author has exceeded herself ! thank you for sharing your Talent with us! this Second book is Stellar and the wait was really worth it!

I'm looking forward to read the next book!!

Evette says

4.5 Stars

Holy hell, when Mary writes a sequel she don't play!!

Love, LOVE Walker. So alpha, determined and honest. Reese as well, but damn 18 years and she's still afraid. Her run, hide and waffling drove me a bit crazy, but FINALLY she saw the light.

Wanted to knock the crap out of Samuel-even knowing his devastation with losing Reese, he still acted as if she was a possession that he kept trying to pi\$\$ on (or f*c#) to claim.

I have to admit that while at first I adored Riley and Jackson together, by the end I thought she has sooooooooo much growing up to do before she deserves him. Jackson may have his mother's eyes, but damn he's all Walker! Seems more like sweet first love than forever love...this from a girl who's been with her hubs since she was 16.

Love dual POV!!! Did I mention how much I adore Walker? ? And you cleared up the why Elizabeth for me completely. The dialogue between the parents and J& R felt stilted at times. Felt too...mature maybe?

So freaking excited about their HEA! Loved Jackson's voice at the end. So passionate, such a beautiful young man. Bravo Mary, and thank you for a truly intense, fulfilling and beautiful follow-up for Walker & Reece.

Tanya Vought says

Wow! I was shocked and saddened at the end of book 1. I was hurt and in anguish for both Walker and Reese... and wanted to hurt Mary for having 17 years go by. (I love ya Mary <3)

Needless to say, book 2 (Second Chance at Forever) IS amazing! It doesn't matter that 17 years went by... Walker and Reese are still electric and amazing together with a few amazing surprises along the way!

This second book will blow your mind. The unique twists and how Walker and Reese meet again is brilliantly done!

You will feel for both Walker and Reese.

Walker has been a shell of a man, due to the loss of both loves of his life. He only works and works harder and cares for his son. He still carries the torch for the love of his life and why she left him all those years ago.

I loved seeing him and the love he still had/has for Reese. I loved watching his love, strength and determination and sexiness he shows her. You will fall in love with his handsome sexy man all over again.

Reese has been unhappy and has her own inner issues going on. She has a few surprises in her life and when an encounter happens.. it's amazing to watch her reaction and Walker's too.

I loved watching her fall/still fall for this man. I loved that she got him and only him. It's always been and

always will be him who holds her heart.

There are twists, turns, pain, sadness, life altering events, love, devotion and more that will truly amaze you until the end.

And that end.... WOAH! It was phenomenal... but cliffhanger-ish. I am very eager to see what Mary has in store for them and us the reader!

IF you loved Walker and Reese in book 1, you will be blown away with them in this 2nd installment. This installment is hot, sexy, filled with a once in a life time soul mate couple that you don't want to miss!

Walker will truly be your newest book boyfriend all over again!!!

5 amazing stars!!!!

I was given a copy of this book by the author in exchange for an honest review.

Sarah Nickles says

Mary has picked up perfectly. This book experiences love, loss, forgiveness and acceptance. Learning to accept the things you can't change and to move forward given the chance.

Second Chance at Forever takes you on Walker and Reese's journey toward another chance. A second chance at a life that was stolen from them, a love that was torn apart and a future that was meant to be. Feelings between Walker and Reese have never died. The feelings that we saw in the first book come right back.

I really enjoyed seeing life for them 17 years down the road. Although Walker and Reese had both made the decision to move on with their lives, neither of their hearts were ever fully able to let go of the other. One night fate interferes again, leaving both Walker and Reese feeling the pure love they had for each other.

I truly love the characters in this book. Mary gives us new characters and new secrets. I felt like I was part of it as I was reading which made me either want to scream and punch someone in the throat or smile because I felt school girl in love happy for the characters.

I love how Mary used different POVs. I really enjoyed being able to read what Walker and Reese were both feeling. This is definitely a story that could happen to any one of us and I absolutely love that. Stories that tend to be real life pull me in so much more. I felt like I was a part of Mary's writing. I could feel the emotions from the characters.

I can't wait to read Our Forever Promise. I LOVE YOU WALKER!!!!

Barbara says

Loved it!!!

Tami Talbert says

Second Chance at Forever is book two in Mary Wasowski's amazing Forever series. There are so many incredible things to say about book two I just don't know where to begin. When we left off at the end of book one, the lives of both Walker and Reese had been decimated by his interfering and intrusive father. Second Chance at Forever brings us back into both of their lives but it is now 17 years later. Although in their minds Walker and Reese had both made the decision to try to move on with their lives, neither of their hearts were ever able to do so. One night when fate steps in once again, they are both left stunned as neither Walker nor Reese ever expected to reconnect with the only person from their past who completed their souls and filled their hearts with the one love that would last forever.

As Walker begins to unravel the mystery behind Reese's disappearance from his life so many years ago, he begins a path of discovery of lies and deceptions not only from his father but from others he never expected. Walker is finally given the answers he has been searching a lifetime to find and the strength and power of Walker Reed is astonishing proving he is clearly not a force to be reckoned with. Now that he has found Reese again, he refuses to let anyone or anything stand in the way of reigniting the passion and love that was stripped away from them so long ago now giving them both their Second Chance at Forever. And Ms. Wasowski has definitely given us some new hot, sexy and steamy moments between Walker and Reese for which we have all been waiting.

Although I could go on and on about this beautiful love story, for fear of spoiling something for those who have yet to have the pleasure of reading Second Chance at Forever, I feel must stop right here. For those of you who fell in love with Walker and Reese in book one as I did, all I can say now is wow! Just WOW!! Second Chance at Forever is such an incredible continuation to the depth of love these two shared and goes so far beyond the description of a love story including a hint of danger as well as intrigue and deception. Mary Wasowski has also given us new characters to love (and loathe) as well. Wonderful Ms. Wasowski! Absolutely wonderful!

W. Ferraro says

4.5 amazing sexy stars!!

Walker, where have you been all my life? Another home run for Mary Wasowski. The second installment in the Forever Series delivered every bit of the sultry, erotic romance tale that its predecessor did and much more. The story of Walker and Reese continues and makes you believe in soulmates. For the span of almost twenty years these two have never been able to fill the void left empty by the other and then the stars align and bring them back together in the most peculiar of ways. You feel their passion in every word and with every swipe of the Kindle. Walker and Reese stay with you long after you read "the end" and you wouldn't want it any other way. Love this saga and look forward to the next installment.

Juany says

2.5 STARS - So much potential but needs editing. I can't count how many times Reese and Walker's story is

retold, and retold, and retold...
