## **The Seventh Man** Max Brand

The Seventh Man by Max Brand, tells part of the story of the larger-than-life western character, Dan Barry, known as "Whistling Dan," and his alter-ego companions, Black Bart, the wolf-dog, and Satan, the indomitable black stallion. It's also the story of Kate Cumberland and the incredible five-year-old daughter of Kate and Dan, Joan. We first see Dan as a gentle, caring man with a deep sense of fairness. But then, after six years of a peaceful life in their mountain cabin Dan, more feral than human, sets out to revenge an injustice by killing seven men. Ultimately, it is his devotion to his daughter and Kate's love for the child that brings about the climax of the tale.

Warning: don't look for a typical cowboy story here – it's far deeper and stronger than that.

## **The Seventh Man Details**

## From Reader Review The Seventh Man for online ebook

### Gretchen says

An amazing action adventure western with the bad guys as the sympathetic main characters. I can't praise it highly enough. Will be seeking out more Max Brand books.

---

### James Northern says

The BEST Western I have read in a long time! In the top 5 or best for sure.

---

### P225 says

Okay - I love this book. Yes it's a simple western, but I love the way the characters are developed. They are bigger than life. The story is unique. This is a book I have never forgotten since I first read it. I look for copies in every used book store I wander into. Book 3 in a series, but can stand alone. In fact I read this one first, then went back and found the other 2 - Untamed and The Night Horseman.

---

### Joe says

Excellent trilogy of Whistlin' Dan Barry. But there is a fourth book: Dan Barry's Daughter. Don't forget to read this book!

---

### Ronald says

read some time in 1989

---

### Julia says

[ an important person in his life gave up on him because he wouldn't change to be who he wasn't. (hide spoiler)]

---

### Alia Makki says

Available on Librivox & Gutenberg.

Something is surreal in our relationship with our dogs and horses. The ending broke my heart.

---

**Cherry Jeffs says**

Listen to it for free on Librivox, it's really well read

---

**JACKSON says****Excellent**

Well written with lot's of excitement and a great story line. This book has great characters and an exciting finish.

---

**Denise Kuntz says**

I truly enjoyed the story and the characters! I was surprised at the ending! I do recommend reading!

---

**Mikkel Libby says****One of Brands best.**

I beg to differ with those who say his books aren't literature. His writing is so poetic in nature that you feel an easy flow of the story as he transitions from person to person and scene to scene. If Dan were living in this day and age he would be considered a social deviant and probably schizophrenic,so the character is not so unbelievable to me

---

**Clint Morey says**

Yes, I know Max Brand doesn't write with the political correctness of our day but I still enjoy his stories.

This book was written almost 100 years ago and I thought the story was well told. It certainly kept me reading. I wanted to turn the page and find out what was going to happen next.

That's the work of a good storyteller.

---

**KB says**

Read the Untamed and the Night Horseman then The Seventh man. I don't remember which should be read first. They stand alone but would be better in order. A good read.

---

### **RSJeep says**

Great Book.

---

### **Jeff Anderson says**

Very interesting Western without the usual stark contrast between the good guys and the bad guys. Max Brand uses typical western story themes and situations to pull the reader in and then twists things around to write a treatise on relationship psychology, true love, and real courage. I think this one might be interesting even to those who don't like Westerns. I read it as a free Gutenberg Project EBook on my ipad.
