Things that Go Bump in the Night Alexie Aaron

Ladies and Gentlemen, The Jewel Theater proudly presents for your reading enjoyment “Things that Go Bump in the Night,” starring Cherry O’Kelly, a burlesque performer whose career was cut short in her prime. A consummate professional, Cherry doesn’t let a little thing like death get in the way of a good bump and grind. Enjoy the pageantry while you can because something evil is coming to the theater.

Next up on the haunt parade is the Rosemont Hotel. It is reputed to be fraudulently haunted. Its owner - plagued by bumps in the night - has sought out help and has been turned down by all the reputable ghost hunting teams in the area except for one, PEEPs. Burt has a gut feeling about the hotel. Will Burt’s instincts alone be enough to find out what is really going on at the Rosemont?

Since you’ve been such a good audience, I have another treat in store for you. What do the Caribbean, crypts and courtrooms have in common? The answer is Beverly Cooper. Mia’s aunt has returned and has brought with her... Oops, that would be telling.

Pull up a chair, and open the book. The show is about to start...

“Things that Go Bump in the Night,” is the eighth novel in the “Haunted” series following “Old Bones.”

Maxine says

Yet another 5 star read from Alexie Aaron. I love this series.

Michele bookloverforever says

ghosts, an old foe becomes a friend off sorts. betrayal by family, by a prior colleague, love, joy, self sacrifice.. reread in February, 2017...still painful personal betrayals by a family member who sells Mia into bondage away from her fiancee for selfish reasons. still a good story, full of angst, desperation, misery, rage, forgiveness, pain.

Janice Clifford says

Neatly tied up

This one tied up loose ends throughout the series. It was very enjoyable (even when some of the "villains" were forgiven). My only disappointment was Mia not keeping the ghost poodles. However, she did get a dog in the end and the poodles found a home.

Tracy says

3.5 Stars

Another really good ghost story and I like the PEEPS characters a little bit more with each book.

Linda Cole says

Wonderful wow

can't describe all what I liked about this book. several stories coming together and making perfect sense it was great ready for more.

Lora Cherry says

Great series

I love the way the characters have grown together. I love the suspense, drama, and humor. I buy the next in the series as soon as I finish and have yet to get bored.

Marianthi says

Just despise Mia's aunt. Could not see how she forgives her.

Lori Mills says

There is a lot more

To the paranormal than I ever knew! Alexei Aaron expands more and more in each book. This one goes from getting ghosts out of a refurbished burlesque building to being kidnapped by an angel. Once I start reading these i can't stop.
