## **Virtual Strangers** Lynne Barrett-Lee

Fed up, frustrated and fast approaching forty, Charlie Simpson hasn't had many high points in her life just lately. The only peak on the horizon is her ambition to climb Everest, if she could only get organized and save up the cash. Unfortunately, though, she has more pressing things to deal with; her eldest son moving out, her father moving in, and her best friend moving two hundred miles away. She finds solace, however, via her newly acquired modem, when she stumbles upon a stranger who's a like-minded soul. Like-minded, perhaps, but no fantasy dream date. Though virtual, he's of the real-life variety - he may be a hero, but he has a wife. Charlie hasn't a husband, but she certainly has principles, and they're about to be hauled up a mountain themselves. And, of course, her mum's always said she shouldn't talk to strangers. The question is, is now the time to start breaking the rules?

# From Reader Review Virtual Strangers for online ebook

## Jo Notary says

336pgs, Internet, her eldest son moving out, her father moving in, and her best friend moving two hundred miles away. She finds solace, however, via her newly acquired modem, when she stumbles upon a stranger who 19s a like-minded soul. Like-minded, perhaps, but no fantasy dream date. Though virtual, he 19s of the real-life variety 13 he may be a hero, but he has a wife.

---

## Cassie says

This book was ok but I couldn't say that I enjoyed it, nor would I recommend it.

---

## Lindsay says

Amazon Freebie 12/3/2012

---

## Linda P says

4.5\*(26) (336pgs)

---

## Patricia says

It was OK. A quick read and a bit predictable. A bit of its time as it is set at the beginning of the email craze....

---

## Sarah Booth says

it started of very boring but after a few chapters it got really good once the story kicked in properly.

---

## Emma says

I really enjoyed this book although I had a feeling in the middle that it was who it turned out to that she was emailing I would recommend this book to others who liked this genre

---

**Clo says**

Gave up with this book, it was really naf.

---

**Priya says**

I LOVE the writing style/narrative voice, mainly because it's so like mine when I'm thoroughly engaged and energetic in the process.

---

**Annett Jummrich says**

One of the worst books I've ever read. Utterly boring. I fell asleep twice while reading this book (Sunday afternoons). The author tries so desperately to be funny that it is exactly the opposite. I couldn't wait to finish this book. As I always finish a book once started I soldiered on and made it through to the end, but it wasn't a pleasant experience. I didn't like any of the characters in the book and couldn't care less about them. Save yourself the time and money to ready this book. Not recommended.
