Angel Tears Valmore Daniels
My name is Serena Rogers. After escaping from a
juvenile detention center, all I wanted was to get
as far away from home as I could and never look back.

Everything changed when I uncovered the dark secret
that's been haunting my family since before I was born.

I am not who I thought I was.

When I encounter an army of revolutionaries, I am faced
with an impossible choice: fight them and risk the lives
of everyone I love, or join them and lose my soul.

Lana says

This was another fantastic entry in the series. I absolutely love the way each story blends with the others. I can't wait to read the last book. I am sure it will bring it all to a thrilling conclusion.

Kayla says

Wait! Neil (Darcy's boyfriend/lover) had a child?! That he knew nothing about until right before that idiot sheriff shot him and they all died in Darcy's flames?! WHAAAAAAAAATT!!!!

Well now that that is out. Poor Serena! loses her mom and her Dad within a week! My Gawd. All of these nephilim are destined to live doomed lives. So glad Darcy, Kyle and Richard found her. She's on the right side now.

Marta Em says

I got really tired, although it still kept me reading...

Gave it a five star rating. Because the story was great, also gave more explanation of the why they were possessed by Angels, but the story continues. Will read the next one.
