The School of the Seers: A Practical Guide on How to See in the Unseen Realm Jonathan Welton

Your how-to guide into the spirit realm!

Get ready to enter the world of a seer! In this groundbreaking and revolutionary book, Jonathan Welton describes his unique journey about how God opened his spiritual eyes. He shares how you too can activate this gift in your life.

The School of the Seers is the how-to guide for seeing into the spirit realm. Making insightful use of anecdotal stories, the author helps you discover vital keys from the Scripture to:

See with your spiritual eyes. Use the four keys to greater experiences. Recognize what may be hindering your discernment. Access divine secrets and steward heavenly revelation. Learn how to really worship in Spirit and in Truth. Understand meditation, impartation, and so much more.

The fresh and profound concepts taught in this book take a mystical subject--seers and the spirit realm--and make it relevant for your everyday life!

Richard Monyer says

I have gleaned so many things from this book and it is one that I plan on referencing and going back to in the future. This was a very worth while read and so needed in the Body of Christ today! This book like no other explains the gift of discerning of spirits in full detail and how to stir that gift inside of us all. So glad I read it!

Karen says

I enjoyed this book and really gained a lot from it. The only reason I rated it a 4 rather than 5 is that in a couple of places I thought Jonathan made a huge stretch in his interpretation of Scripture in order to make a point.

Brenda Miera-Sierra says

Better written information on web

Edem Dzameshie says

Awesome and insightful book.

Jamielynn says

This book has helped me understand how God uses me in this way. I have experienced a lot of these things on my walk with God and this book has helped train me even more. Such a misunderstood gift that we should embrace.

Melissa Lee says

This book was fantastic! I've been meaning to read it since July, so much truth and biblically-sound wisdom to help me press in deeper with my spiritual walk. Just what I needed.

LaTrice McNeil-Smith says

So many amazing nuggets in this book. Will have to go back and study different portions of it.

Marlon Katsigazi says

Insightful book with a significant exercise of activation at the end of chapters. Affirms that God is all about signs and wonders. Gives more understanding to the supernatural and spiritual realm. Great book!

Brian says

This book was a real blessing and it was definitely encouraging. I have never really been "spooked out" by the spiritual world but coming from a western-rationalize-everything-away culture, it was refreshing to read about the unseen realm. It is definitely not an exhaustive study but covers enough to get a thorough understanding. Highly recommend!

Billy Castillo says

I really enjoyed this book, I had not heard of the Author prior to this book, I found it online, read the book, and then giften a couple copies to a couple of friend that I knew would benefit from it. I like Jonathan's approach to teaching, he explains everything in simple english. Also it was nice to see that others are having similar experiences in the supernatural without all the sensationalism that appears to be more common than not, lastly I should mention that a few comments he made in this book regarding the 'rapture' prompted me to read his other books, I was not disappointed.

Shawnee Wildey says

I loved this book and had a hard time not rushing through it. I had to slow myself down so I could really learn and experience every chapter through the activation sections.

This book is a practical guide for people who have or want the gift of discernment or what the Bible calls "discerning of Spirits". Everything he teaches in this book he backs up with scripture. He also gives practical exercises to help activate the gift of discernment in you. I highly recommend this book if you feel you have a SEER gift or want to experience more of this gift.

Su Bat-El says

I love this book, I've been reading it slowly in order to absorb all the information made available. It is very insightful and indepth

Jeff says

This was a fascinating read to me. The Holy Spirit uses Jonathan to impart some amazing insight regarding the unseen realm, along with some terrific and practical godly wisdom. This book is worth keeping handy because it's worth going back to, again... and again.

Matthew says

Enlightening and instructional, engaging the reader to take a trip into the supernatural with prayer journaling and mental visualizations.

Emmanuel Ayeni says

Great book on the ministry of the seer and the discerning of the spirit.
