BOOK FIVE

Jacob's Daughter series

After tragedy struck Noah Beiler's life nearly two years ago, he turned his back on his faith and the community. No one except Rose knows he has remained in the dilapidated home that overlooked the pond that he'd grown to despise.

When new tragedy strikes, he is forced out of hiding.

Will chasing fireflies on a warm, summer night change his life forever?

Find out in this tale of summer love...

Debbie says

i think this was my favorite book of the series.

Lisa says

This was a good book. I'm glad I found the additional books of the short series.

Dee says

BOOK 5 OF 7 BOOK SERIES

PWRL says

E

Candy Shepard says

Best one in the series so far....

Kathryn says

pretty good.

Suzie Jo Glass says

This was a great series wish I had not had to buy so many.

Sharon Giddens says

This was an amazing book with lots of analogies in faith. Loved it...

Rhonda says

I am still smiling after finishing Chasing Fireflies by Samantha Bayarr! this has to be one of the sweetest romance novels that I have read in a good while. I fell in love with the characters: Noah, Rose, Bess, katie, and Caleb.....and chuckled at the rebellious nature of Rose often! You won't be disappointed with this book. I sat down to read it and could not stop until I was finished. I completed it in one night as it was so enthralling! Samantha Jillian Bayarr

MaryLynn Kebort says

Chasing Fireflies Book 5, is a love story and a lesson into the ways of the Amish

Chasing Fireflies Book 5, is much more than a love story. Infact it is a story of several Amish people. This takes up where book 4 left off. However, there is more going on than just love. Living in an Amish community has very strict rules. No exceptions. Chasing Fireflies tells the story of how they live, love their families , and respect for their elders. Even trudging through snow walking everywhere they need to go. I enjoyed reading Chasing Fireflies very much. I recommend book 5 to any age 10-100 years old. 5 stars
